Proceedings of the Madras Government, Financial Department,
1st September 1866.

No. 1. Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 25th August 1866, No. 178.

Budget and Finance Department.

I have the honor to forward, herewith, copy of a letter from the Acting Inspector General of Ordnance and Magazines, No. 2160, dated the 17th instant, applying for the restoration to the Budget grant for the Stationery Depôt of the sum of Rupees 14,000, retrenched by the Government of India, in paragraph 13 of their Financial Secretary's letter, No. 1585, dated the 29th March last.

2. For the several reasons assigned by the Inspector General, in which I fully concur, the Government may be disposed to sanction the disbursement of the amount now applied for, leaving it to this Office to submit, in due course, for the sanction of the Government of India, a Statement of transfer of grant from some other head of service under which savings may probably occur, in accordance with paragraph 15 of the Financial Proceedings of the Government of India, No. 1739, dated 12th August 1864.

From the Acting Inspector General of Ordnance and Magazines, to the Accountant General, Madras; dated Fort Saint George, 17th August 1866, No. 2160.

Bill Department.

Adverting to your letter, dated 29th May 1866, to the Superintendent of Stationery, intimating that the Government of India have reduced the provision for local purchase of Stationery from Rupees 90,000 to Rupees 76,00, I have the honor to inform you that the Superintendent of Stationery has brought to notice that the reduced amount is insufficient to meet demands on the Depôt for Stationery, &c.

2. The necessity for funds to the extent entered in the estimate arises from the circumstance of the increased demands from offices, and of new supplies being required to be provided for the Ordnance Departments, which formerly received money grants for the purchase of Stationery, and for the Vaccine Department, newly organized.

3. The Superintendent also urges that Supplemental Indents are now being received for Stationery Articles heretofore purchased locally, in reference to paragraph 7 of the Order of Government, No. 331, dated 30th March 1866.

4. Under these circumstances, I beg you will be so good as to take the necessary steps, with a view to sanction of Government being obtained for the full amount included in the Budget Estimate of the Stationery Depôt, a measure which appears to me highly expedient, in reference to the extent of the provision devolving on the Depôt.

No. 2. ORDER thereon, 1st September 1866, No. 327.

Under the circumstances stated, the Governor in Council is pleased to sanction the amount of Rupees (14,000) fourteen thousand, retrenched by the Government of India, being restored to the Stationery Budget, subject to the approval of the Supreme Government, to whom the Accountant General will submit, in due course, the usual application for a transfer of funds from some other major head of service under which savings may be available.
