Proceedings of the Madras Government, Financial Department, 3rd September 1867.

No. 1. Read the following letter from the Mint Master, to the Acting Chief Secretary to Government, Fort Saint George; dated 27th August 1867, No. 250.

I have the honor to report that Mr. E. deLinares has made an offer of Rupees 400 for a large Steam Boiler at the Mint, which belonged to an Engine constructed here many years ago, but has fallen into disuse, and little of it now remains but the Boiler and the Cylinders. The Boiler is not required in the Mint, and from its shape is ill-adapted for use here. The offer of Rupees 400 is, in my opinion, a fair one, and I beg to recommend that I may be allowed to accept it; and, as Mr. de Linares is anxious to know the result soon, I beg the favor of an early reply.

No. 2. ORDER THEREON, 3rd September 1867, No. 398.

The Governor in Council authorizes the Mint Master to accept the offer of Rupees 400 for the Steam Boiler which is stated by him to be ill-adapted for use, and not required in the Mint.
