Proceedings of the Madras Government, Financial Department, 2nd November 1866.

No. 7. Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 26th October 1866, No. 256.

Budget Department.

In returning the Budget Estimate of the Inspector General of Police, for the ensuing official year, 1867-68, received, under cover from Government, on the 24th instant, I have the honor to observe that the total amount of the estimate, including the cost of the Police partly maintained from the Municipal Funds, but excluding the charge for construction and repair of Police Lines and buildings, exceeds the amount assigned by the Government of India for the Police expenditure of this Presidency by Rupees 1,96,415, as follows :—

		RS.
Total Assignment...		39,00,000
Deduct cost of the Metropolitan or Presidency Police, as per estimate of the Commissioner of Police.		2,48,335
		36,51,665
	RS.	
Total cost of the Mofussil Police, as per estimate of the Inspector General of Police...	38,99,580	
Deduct construction and repair of Police Lines and buildings, for which an additional grant has been sanctioned for 1866-67...	51,500	
		38,48,080
	Excess...	1,96,415

2. As, under the Financial Resolution of the Government of India, No. 1221, dated the 4th July last, a copy of the Police Budget must be submitted for review to the Home Department of that Government, I beg to suggest that the Inspector General of Police be requested to submit, as early as possible, a revised estimate in which the total charges of the Department, exclusive of the cost of Police buildings, &c., should be restricted to Rupees 36,51,665. This sum should also cover the Police Medical charges (about Rupees 15,000), which apparently, under a misconception of paragraph 5 of the Proceedings of Government in the Financial Department, No. 149, dated the 20th April last, have not been provided for.

3. A more recent Order of the Government of India prescribes that the charges for April 1867 should be included in the estimate in the column for 1866-67, as well as in that for 1867-68. I have, accordingly, added the amounts separately in red ink in the estimate now forwarded; but the Inspector General of Police may enter them in a lump sum in the revised estimate, *e. g.*, the amount of his own salary should be 30,000 Rupees in both the above columns.

No. 8. ORDER THEREON, 2nd November 1866, No. 401.

Communicated to the Inspector General of Police, who is requested to revise his Budget Estimate, in accordance with the suggestions of the Accountant General, and to re-submit it to Government without delay.
