Proceedings of the Madras Government, Financial Department, 7th November 1866.

No. 29. Read the following letter from Assistant Surgeon P. F. BELLEW, Civil Surgeon of Rajashaye, to the Financial Secretary, Simla ; dated Rajashaye, Bengal, 9th June 1866, No. 132.

I have the honor to request the favor of your informing me, if my services will be required in the Assay Department of the Mint, to fill the vacancy that has recently occurred by Dr. Shaw's departure from Madras.

2. A period of nearly five years has elapsed since I obtained my Assay Qualification Certificate in London, during all which time I have been patiently waiting for a vacancy to enable me to join the Department ; I trust, therefore, that my claims may now meet with your favorable consideration.

3. My father, the late Major Henry Bellew, Assistant Quarter Master General of the Bengal Army, having lost his life on Military Service in Cabul in 1842, the Honorable the Court of Directors of the then East India Company promised to provide for his two sons, and presented myself and my brother (Mr. H. W. Bellew, Surgeon of the Corps of Guides) with our appointments as Assistant Surgeons on their Bengal Medical Establishment.

I came out to India at the age of 22, and have served nearly 12 years, during which time I have held several responsible Medical charges, both in Civil and Military employ.

Of late years having taken much interest in Chemistry and Metallurgy, I went Home in 1861 and studied Assay for a year in London, where I obtained a Certificate of Qualification, which I filed at the India House.

Sir,

I have the pleasure to acknowledge the receipt of your D.O. of the 16th ult: informing me that the Rt. Hon'ble the Govr. of Madras would be happy to appoint me as offg. Assay Master of your Mint, on my notifying my wish to be so appointed -

In reply I beg to inform you that I accept the appt. and shall feel obliged by your having it gazetted at your early convenience, as it will take me a month to join at Madras after receiving the official notification.

I decline to enter the Assay Dept. because I take an interest in Chemistry & Metallurgy & hope for promotion in that line. Though I fear at first I shall be a loser by the move from this Station, my Civil Salary here being Rs. 789-3-0 per mensem, besides my
