Proceedings of the Madras Government, Financial Department, 12*th December* 1866.

No. 10. Read the following :—

To His Excellency the GOVERNOR in COUNCIL,

Fort Saint George.

The humble Petition of ANNA STUART, Widow of the late WILLIAM CARMALT STUART, Deputy Collector in charge of the Treasury at Madura.

Sheweth,

That your petitioner's late husband, William Carmalt Stuart, was in Government employ from the year 1854 to 1864, during which time he served in various capacities under different Collectors, viz., as Moonsiff at Ernaad, as Deputy Collector at Wynaad, also as Deputy Director of Revenue Settlement, and subsequently as Deputy Collector in charge of the Treasury at Madura, at which latter place he died of Disease of the Heart, brought on by over-exertion and exposure, leaving your petitioner with three young children, the eldest of whom, at the time of his father's death, was only three years and ten months old.

2. That your petitioner was not bequeathed any real or personal property by her late husband, save and except a few hundred Rupees from the sale by auction of his effects, and that the only other means of support which your petitioner at present possesses is derived from the Madras Widows' Fund, amounting to 50 Rupees per mensem, out of which she has to provide for herself and children, and eventually to educate them.

3. Your petitioner begs to attach copies of Certificates from Dr. Rule, in which he states that it is his opinion that the death of your petitioner's husband was accelerated by constant exposure to the weather, by over-exertion, and by too close an application to the arduous duties of his office.

4. Your petitioner further begs to attach Certificates from Collectors and other Officers under whom the late husband of your petitioner served, from which Your Excellency in Council will perceive that your petitioner's late husband performed all his various duties with zeal and efficiency.

5. Your petitioner, therefore, trusts that Your Excellency in Council will be pleased to take into favorable consideration your petitioner's case, and grant her a small addition to her pension (from the Madras Widows' Fund), to enable her to support herself, and bring up and educate her children, respectively, and your petitioner will, as in duty bound, ever pray.

29*th August* 1866. (Signed) ANNA STUART.

Madura, 2*nd April* 1866.

My Dear Mrs. Stuart,

I recollect perfectly attending your late husband, Mr. C. Stuart, then Deputy Collector of Madura. He died of Disease of the Heart (hypertrophy and dilatation).

2. I remember that you told me that his duties, both in Wynaad and Coimbatore, had been of a very harassing nature ; that he had to travel a great deal, and suffer much exposure to the weather. I stated then, that, if this were the case, it had tended to foster his disease, and to accelerate his death, and I still think so. You can use this as you think proper.

Yours very truly,

(Signed) S. RULE, M. D.,

Zillah Surgeon of Madura.

From P. GRANT, Esq., Collector of Coimbatore, to Mrs. ANNA STUART, Madras ; dated Coimbatore, 14th April 1866, No. 103.

In reply to your letter of the 10th instant, asking me to state in what manner your late husband conducted his duties whilst under me in Malabar, as Deputy Collector, I beg to inform you that he always gave me entire satisfaction in the transaction of his public work. He was painstaking and industrious, and commanded the respect and confidence of the Natives under his charge.
