*Proceedings of the Madras Government, Financial Department,*
*13th December* 1866.

No. 14. Proceedings of Government, dated 13th December 1866, No. 467.

As the Public Works Department is in need of a Steam Engine of greater power than any of those in its Stores, the Government authorize the Mint Master to transfer to that Department the 20 Horse Power Engine which, it is understood, is now in the Mint, and which, not being required there, may, in the opinion of the Mint Master, be spared without inconvenience.

Very dear Orr
we are not
likely to want the
20 H. P. Engine that
you spoke to me
about for two
years: And I have
no
objection to its
being transfered to
the D. P. W.
or some

obtaining the
Sanction of Govt.
