Proceedings of the Madras Government, Financial Department,
22nd December 1866.

No. 47. Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 1st December 1866, No. 296.

Book Department.

Adverting to the letter of the late Accountant General, Sir T. V. Stonhouse, Bart., No. 274, dated 19th August 1845, on the subject of certain six per cent. Certificates of the Consolidated Debt of 1777, and in reply to which the Government, in their Order, No. 180, dated 1st April 1847, sanctioned the proposition of that Officer to advertise the said Certificates for discharge, I have the honor to report that a sum of Rupees 29,238-13-11 still appears on the Books of this Presidency as unpaid.

2. It will be observed that this sum exactly represents the value of the Certificates shown in the margin of paragraph 4 of the Accountant General's letter above alluded to, and upon which, even at that date, no interest had been drawn for more than 20 years, and the surmise of Mr. Stonhouse that the Certificates alluded to had been discharged by some means, not traceable, is doubtless correct. These Certificates were included in the number of those advertised for discharge in the Accountant General's Notification, dated 14th April 1847, and, as no claimants have come forward, and looking to the length of time, 41 years, since interest has been drawn upon them, it is most improbable that any claims to these will ever be made. I request permission to write the amount off the books, by credit to "Profit and Loss" and debit of "Six per cent. Certificates of Consolidated Debt of 1777", and thus remove the account from the Public Books.

No. 48. ORDER THEREON, 22nd December 1866, No. 484.

Under the circumstances stated in the foregoing letter, the Governor in Council grants sanction for the sum of Rupees (29,238-13-11) twenty-nine thousand two hundred and thirty-eight, Annas thirteen, and Pice eleven, the value of certain six per cent. Certificates of the Consolidated Debt of 1777, being written off in the Public Books, in the manner proposed by the Accountant General.
