Proceedings of the Madras Government, Financial Department,
8th January 1866.

No. 9. Read the following letter from the Acting Mint Master, to the Chief Secretary to Government, Fort Saint George; dated 14th December 1865, No. 230.

About 140 tons of Beypore pig iron, valued at 13,303 Rupees, received some years ago, is lying perfectly useless in the Mint; it has been tried with quantities of good pig iron and all the castings produced turned out brittle and had to be rejected. The Commander of the Ship *Darra*, now in the roads, is inclined to take a portion, if he can get it at the rate of old metal, which is 25 Rupees the ton.

2. I have the honor to request that you will be so good as to recommend the proposal, and obtain permission of Government to allow me to dispose of the iron whenever such opportunities occur.

No. 10. ORDER THEREON, 8th January 1866, No. 6.

The Mint Master is authorized to dispose of, in the manner proposed by him, the pig iron said to be lying useless in the Mint.
