In continuation of the Financial Despatch, dated the 31st May last, No. 43, I forward, herewith, copy of a letter from Surgeon Waring, dated the 24th November 1866, and I have to request that proofs of the Table of Synonyms, therein referred to, may be transmitted to this country, with as little delay as may be practicable.

From Surgeon E. J. WARING, M. D., Editor of "the Pharmacopœia of India," to the Under Secretary of State for India; dated 22 George Street, Hanover Square, 24th November 1866.

With reference to your letter of the 4th of May last, I have the honor, in accordance with a Resolution passed at a Meeting of the Pharmacopœia of India Committee, held yesterday, to request that a letter may be addressed to the authorities at Madras, with reference of the Table of Synonyms of Medical Plants and Drugs which is being printed there, under the superintendence of Native Surgeon Moodeen Sheriff. The proofs, as suggested in the Memorandum of Instructions sent out with the Table, should be sent Home as soon as practicable, in order to enable us to assimilate the orthography of Native names in the text and in the Table.
