Proceedings of the Madras Government, Financial Department, 25th January 1867.

No. 49. Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George ; dated Fort Saint George, 11th January 1867, No. 2.

Money Order Department.

In submitting, for the information of Government, copy of a Circular No. 1, dated 11th ultimo, issued by the Controller of the Money Order Department at this Presidency, and of a reply thereto, dated 22nd idem, received from the Resident of Travancore and Cochin, I have the honor to solicit sanction to the introduction of the Money Order System into Travancore, as it is a Foreign State. With reference to Mr. Newill's statement, that a Clerk cannot be made available for permanently acting as Money Order Agent at Trevandrum, I presume that, during his absence on tour, that there must be the Assistant Resident or some other responsible Officer at Head Quarters in charge of the Treasury, who might, in my opinion, be required to conduct the business of the Money Order Office, pending the Agent's return.

From the Controller of Money Order Department, to all Collectors ; dated Fort Saint George, 11th December 1866, Circular No. 1.

The Government of India having appointed me to the control of the Money Order Department in this Presidency, I have the honor to request, that you will be good enough to furnish me at your earliest convenience with the name of any Clerk in your Office, other than your Chief Assistant, whom you consider duly qualified to carry on the duties of Money Order Agent at your station, in order that it may be submitted to Government for approval and insertion in the *Fort Saint George Gazette*.

2. The Agent will be required to furnish you with personal security to the amount of Rupees 500 and collateral security, in two sureties for a like sum, his duties will consist in the issue of Money Orders on, and payment of orders from, places within the jurisdiction of the Madras Government, and as every order and corresponding advice is made out in English, a fair amount of proficiency in that language is indispensable, he will also have to submit weekly and monthly Cash Account Statements (Forms of which will be furnished hereafter) to the Chief Office. A further and more detailed description of his duties, together with a set of Rules for his guidance, will be found in the Money Order Manual, copies of which will follow in a few days, when the nature and extent of the supervision which you will be required to exercise over the Agent will also be fully explained.

From the Resident in Travancore and Cochin, to the Controller of Money Order Department, Fort Saint George ; dated Cochin, 22nd December 1866, No. 475.

Account Department.

I have the honor to acknowledge the receipt of copy of a printed Circular addressed by you to all Collectors, No. 1, dated the 11th instant, and in reference thereto to state, that I am not quite sure whether the arrangements therein contemplated for the introduction of the Money Order System is applicable to Travancore in connection with my Treasury at Trevandrum.

2. I beg further to state that as the few Clerks of my Office are required to proceed in circuit with the Resident during the greater part of the year, one cannot be made available for transacting the special duties of the Money Order Agent permanently at Trevandrum.

No. 50. ORDER THEREON, 25th January 1867, No. 36.

The Governor in Council sanctions the establishment of a Money Order Office in connection with the Residency Treasury at Trevandrum.

2. In the absence on circuit with the Resident of the Clerk who may be appointed Money Order Agent, the Assistant Resident or other Officer in charge of the Treasury should conduct the business of the Money Order Office as proposed by the Accountant General.
