Proceedings of the Madras Government, Financial Department, *5th March* 1867.

Read the following papers:—

No. 7. From the Resident in Travancore and Cochin, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 4th February 1867.

Money Order Department.

I have the honor to acknowledge the receipt of the Government Order, dated 25th January 1867, No. 36, and in reply to state that the adoption of the suggestion of the Accountant General, that the Assistant Resident should conduct the duty of the Money Order Office at Trevandrum, is impracticable, as that Officer is Commandant of the Resident's escort, as well as Assistant Resident, and has frequently to be on tours of duty with the Resident, and his services also are required in duties connected with the Cochin as well as the Travancore State.

2. In writing my letter, No. 475, dated 22nd December 1866, to the Controller of Money Order Department, I thought that objection existed to devolving the duty on the Treasurer in charge of the Treasury, but should this not be considered insuperable, the arrangement may be made to entrust the duty to him. The only alternative I have to offer, is to impose the duty upon a Clerk who is left in charge of the Records, but his salary is only Rupees 40 a month, and I could not detach permanently a higher paid servant without seriously interfering with the ordinary duties of my office.

3. If there is no insuperable objection to the Treasurer, Padmanaba Moodelliar, being selected, I beg to submit his name as the Money Order Agent, otherwise the name of Mr. J. D. D'Lemos, Clerk.

Referred to the Accountant General for his remarks.

Book Department.

I have the honor to acknowledge the receipt of the Order of Government, under date the 6th instant, referring for my remarks, a letter from the Resident in Travancore and Cochin of the 4th idem, regarding the appointment of a Money Order Agent at Trevandrum, and in reply to state that I see no objection to the Treasurer Padmanaba Moodelliar* being nominated to the situation in question, provided the necessary securities be deposited, and proper arrangements are made to ensure the efficient discharge of his duties.

* One of the two recommended by the Resident.

No. 9. ORDER THEREON, 5th March 1867, No. 97.
