No. 24. To the Secretary to the Government of India, Financial Department, dated Fort Saint George, 17th April 1867, No. 172.

Adverting to a Circular from the Financial Department, dated the 27th February last, No. 1163, transmitting a Form of Register of application for Pension under the Uncovenanted Service Pension Rules, I am directed to submit, for the consideration of the Government of India, a copy of the Form which has been adopted in this Presidency since October last.

2. It will be seen from the Form sent, that it contains all the information required by the modified Form circulated by the Government of India, as well as a report by the Examiner of Claims, which is essentially requisite to admit of the Government passing their orders upon the application. A considerable number of the Forms have been struck off for distribution, and the adoption of the modified Form would necessarily entail a considerable loss. Under these circumstances, I am to request that the Government of India will be pleased to allow the Madras Government to retain the Form which is now in force in this Presidency.

Sir,

Adverting to a Circular from the Financial Department dated the 27th February last No. 1163 transmitting a form of Register of application for Pension under the Uncovenanted Service Pension Rules, I am directed to submit for the consideration of the Government of India a copy of the Form which has been adopted in this Presidency since October last.

Government of India, as well as a report by the Examiner of Claims which is essentially requisite to admit of the Government passing their Orders upon the applications. A considerable number of the Forms have been struck off for distribution, and the adoption of the modified form would necessarily entail a considerable loss. With reference to the enclosed form of Register of applications for Pension, annexed to the letter from the Assistant Secretary to the Govt. of India No 1163. Feb. 27th 1867 I would submit

(1) That the Revised form now in use in this Presidency, the adoption of which was notified in October 1866, not only contains every particular specified in Statement forwarded from the Supreme Govt. but places the information required more clearly before the Eye.

(2) That the Size of the sheet 2ft is not ridiculed, and that if the Verification of the accts. Genl or Controller. the explanation of breaks in service, details of leave, &c. are all to be entered on one sheet, the paper will be of an ordinate size.

(3) That it is most undesirable that after a few months' trial, the form which is now in use

and which seems far preferable
that now sent from Cal-
-cutta, should be cancelled;
if this be done, not only will
a great waste of paper be
saved, but confusion, and
annoyance on the part of
those who have to prepare
the registers will ensue.

I would suggest that the
Supreme Govt. be requested
to allow us to retain our
own form.
