## *Proceedings of the Madras Government, Financial Department,*
## *25th April* 1867.

Read the following papers :—

No. 42. From the Mint Master, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 19th January 1867, No. 289.

I have the honor to enclose a letter from the Surgeon Major, 1st District, reporting on a boy who was seriously injured while at work, and sent for treatment in October last. I am aware of the Order which allows to men temporarily employed in the Mint, who, by unavoidable accident, are unable for a time to attend to their work, full pay for six weeks only, but there will be exceptional cases, and this is one, as the boy is never likely to be able to resume his work at the Mint ; and I accordingly beg that I may be allowed to draw *half* pay for him till such time as he is discharged from hospital, when his case may be further considered.

From the Surgeon Major, 1st District, to the Mint Master ; dated Madras, 18th January 1867, No. 13.

I have the honor to state that the date of the boy Chengelrajoo's discharge from Hospital is very uncertain. My anxiety has been, and still is, to save his injured foot, in which *thrice* unhealthy action has set in, and thus delayed his convalescence. The present appearance of the foot, I regret to say, renders me apprehensive that he may yet have to submit to amputation.
