							Item I.—This establishment, as entered under head " Previous Scale," was reported in the Statement for June 1865, and sanctioned by the Government of India, in letter dated 30th December 1865, No. 3767. The Revised Scale provides for six additional Taluq Gomastahs (three on 20 and three on 15 each) and for four Daloyets for the Collector's establishment, (two on 8 and two on 7 each). When the original scale was sanctioned, it was intended to settle the District Taluq by Taluq. The settlement operations are now to extend over the irrigated villages of four Taluqs, which necessitated the employment of the additional Gomastahs. As to the Daloyets, the Collector reported that without them, he would be much inconvenienced when moving about in camp.
			Until the completion of the revision of Assessment of the District.	135	0	0	To be met from savings under Grant " 4, Land Revenue."
							Item II.—The original establishments sanctioned for Nellore, and reported in the Statement for June 1865, cost, as above, Rupees 2077 per mensem. In G. O., 29th January 1866. No. 253, which does not appear to have been reported to the Government of India, sanction was granted for five additional Classifiers (at Rupees 25 each) to expedite the work, and for three additional Peons (at Rupees 7 each) for the Special Assistant, whose duties in the field required this extra assistance. This sanction raised the cost of the establishment from Rupees 2077 to Rupees 2223, the amount now entered under head " Previous Scale." The Revised Scale provides for a Clerk (on Rupees 15) and a Massaljee (on Rupees 5) for the Special Assistant and for the Supervisor, to attend to various details in connection with field work, much of which, it is stated, must be done at night.

					Item III.—The Salt Deputy Collector of Madras has charge of a manufactory of salt of very large and increasing extent and importance, which produces annually about 17,000 garces of Salt, and a revenue of about twenty-one lakhs of Rupees. The Deputy Collec- tor in Wynaad has also a peculiar charge, not as respects revenue, but in a trying climate, and one that re- quires special qualifications. The Gov- ernment, therefore, considered it right that these Deputy Collectors should receive higher salaries than other Offi- cers of that grade, and sanctioned a special extra allowance of Rupees 150 per mensem to each.

398	0	0					To be met from savings under "16, Administration and Public Departments."	Item IV.—1. The Revenue establishments of this Presidency, including the establishment of the Board of Revenue, having been finally revised, the Government considered it right that the Revenue Secretariat establishment should also be placed on a more efficient footing than before. 2. The work of this office, in common with that of other offices, has largely increased, while the expense of living and the demand for men of education and ability have also increased, and persons possessing the character and qualifications requisite in the Government Secretariat can neither be obtained nor retained on the salaries hitherto given. The Revenue Department is also disadvantageously placed, in comparison with other Departments of the Secretariat, having been, as experience has shown, unduly reduced, when the Public Works branch was constituted a separate Department. 3. The First Assistant occupies a position of much trust and responsibility, and has been placed on the same footing as a First Class Deputy Collector. The increased rate (Rupees 600) is drawn also by the First Assistants in the Public and Public Works Departments. 4. The addition to the Second Assistant, will still leave that Officer on a lower salary than the other Second Assistants in the Secretariat, who draw Rupees 300 and 400. 5. Much inconvenience has been experienced from the want of a Deputy Registrar to take the place of the Registrar during his absence, and to attend to various detail work, which has hitherto devolved on the latter; and as the most convenient and economical arrangement, the office has been combined with that of Indexer, and an addition of Rupees 30 sanctioned on account of the additional work. 6. The increased salary allowed to the Examiner is no more than a fair remuneration for his services. On him devolves the duty not only of examining papers, but also of abstracting letters, supervising the current branch and attending to miscellaneous work. 7. The Clerks were very inadequately remunerated on the old scale, and have now been classified on more suitable rates of salary. Only one additional Clerk has been employed, experience having shown this extra aid to be necessary. The other alterations do not need separate notice.

665 0 0				To be met from savings under Grant "4, Land Revenue." This sanction appertains to Mr. Pelly's revision of Revenue Establishments now in course of completion.
4 0 0				To be met from savings under Grant "17, Law and Justice."
30 0 0	Until the present large numbers of prisoners in the Jail becomes reduced.		20 0 0	Do. do.
5 0 0				Do. do.
5 0 0				To be met from savings under Grant "4, Land Revenue," the Dresser being attached to the Sub-Collector's Office.

In the original scheme of the Revenue Establishments proposed by Mr. Pelly provision was made by him for one Clerk on Rupees 35 per mensem, to aid one Covenanted Assistant who would be attached to each Collectorate; but as two or more Assistants have lately been attached to each Collectorate, who were employed upon Magisterial and Revenue duties, it was found necessary to give each Assistant a Clerk to assist him. Sanction was accordingly granted for the number specified in this statement.

Sanctioned, as there was no public building available for the confinement of prisoners under sentences of short periods of imprisonment.

The salary of the Deputy Jailer at Salem was raised to Rupees 50 to secure the services of a competent man. The salary is 25 Rupees less than the salary granted to Deputy Jailers at the Central Jails of Coimbatore and Rajahmundry. The additional temporary Clerk was sanctioned to meet the extra duties arising from an increase in the number of prisoners.

In the Resolution of the Government of India, dated 21st July last, No. 1458, Rupees 35 per mensem was sanctioned for the Head Clerk of a District Jail. The Clerk in the District Jail at Ootacamund not having passed the prescribed Uncovenanted Service Examination was permitted to draw Rupees 25, the maximum salary allowed to unpassed servants.

This allowance was sanctioned for medical aid rendered by the Dresser attached to the Sub-Collector's Office at Muddenpully in the Cuddapah District to the sick Police at that station.

The additional 150 orphans here referred to were originally maintained at the Chaplain's own expense; and it was Mr. Ottery's design to establish an Orphanage, if the aid of the Society for the Propagation of the Gospel in Foreign Parts could be obtained.
