Proceedings of the Madras Government, Financial Department, 7th June 1867.

No. 13. Read the following letter from the Collector of Cuddapah, to the Examiner of Claims, Madras; dated Cuddapah, 23rd March 1867, No. 215.

With reference to your Official Memorandum of the 23rd February 1867, calling for further information regarding the pension applied for on behalf of C. Chengala Row, late Vernacular Head Clerk of the Sub-Collector's Office, I have the honor to submit the following explanation on the several points therein adverted to.

2. Chengala Row was appointed by Mr. W. D. Horsley, Sub-Collector, as Goomastah of Cadiri Taluq, on Rupees 15 per mensem, from 1st March 1866, but, as he was unwilling to hold the post, and as he was also sick at that time, he did not take charge of the appointment on reduced pay. Another substitute was appointed for that post, and full pay disbursed to him up to the end of September 1866. On the 1st October 1866, Chengala Row applied for pension The name of Chengala Row, as Goomastah of Cadiri Taluq, from 1st March to 30th September 1866, with reference to his appointment as such, was merely shown in the monthly Pay Abstracts, whereas in the Leave Statements, forwarded with them, it is distinctly exhibited that full pay was disbursed to the substitute, and, consequently, this portion of service, which is not actually held by him, is excluded from the statement of service.

No. 14.
Vide remarks in the Register of application for pension.

3. As per instructions of the Board of Revenue, dated 14th September 1865, No. 5703, Chengala Row was directed to retire on pension, and he accordingly ceased to be employed from 1st December 1865; but he, in hopes of being retained in service for a further period, did not apply for pension, and the post was vacant till the end of February 1866.

No. 15.

4. The applicant was totally unable, from severe continued ill-health, to proceed from Maddanapully (where he then resided), a distance of 70 miles, to appear before the Zillah Surgeon at Cuddapah, from 1st October till the 14th December 1866.

No. 16.

5. On examination of the office copy of the Annual Return submitted to the late Civil Auditor on the 30th April 1843, I found that Chengala Row's name was, by mistake, entered as Carkun of Guramkonda Taluq, on Rupees 10 per mensem, whereas he is correctly entered in a similar Vernacular Return, prepared on the same occasion, as Moonshee of Guramkonda Taluq, on Rupees 14 per mensen.

No. 17.

6. The enclosures received with your Memorandum under reply are herewith returned.

This is to certify that Chittoor Chengala Row is old and worn out, and he is, in my opinion, unfit for duty. I further certify that, to the best of my belief, his infirmities are not the result of intemperance or other irregular habits.

No. 14. To the Secretary to the Government of India, Financial Department, dated Fort Saint George, 7th June 1867, No. 244.

I am directed to request that the Supreme Government will sanction the grant of a pension of Rupees (17) seventeen per mensem to Chittoor Chengala Row, late Vernacular Head Clerk in the office of the Sub-Collector of Cuddapah, the sum in question being a moiety of the average salary drawn by the applicant during the last five years.

Proceedings of the Madras Government, Financial Department,
7th June 1867.

2. The applicant's service qualifying him for pension amounts to more than twenty-six years, but this reference is necessitated by the fact that the medical certificate of unfitness was not granted until nearly a year after the applicant had ceased to be employed. The delay was caused by the unwillingness of the applicant to retire, or enter upon an inferior appointment, which was offered to him, on the ground that he was incapacitated by age and infirmity from performing the duties of the post in which he had been employed. A severe attack of illness ensued, and prevented his applying for pension within the prescribed period. The Governor in Council considers this case to be one which should be dealt with specially.
