Proceedings of the Madras Government, Financial Department, 7th June 1867.

No. 25. Read the following Proceedings of the Government of India, Financial Department, dated Simla, 17th May 1867, No. 218.

Leave and Allowances.

Read Despatch from the Right Honorable the Secretary of State for India, to His Excellency the Right Honorable the Governor General of India in Council; dated India Office, London, 23rd March 1867, No. 88.

I have considered in Council your Financial letter, dated the 10th January last, No. 12, submitting, for favourable consideration, an application from Mr. M. J. Shaw Stewart, Bombay Civil Service, requesting that Civil Servants who, at the date of the publication of the Financial Despatch, dated the 25th November 1862, No. 193, "were entitled to leave of absence on urgent "private affairs, and had not previously availed themselves of it, should be permitted to count the "time of such leave of absence, when afterwards granted, as part of their period of residence."

2. As special leave on private affairs was only to be granted by the several Governments in India on very urgent grounds, and could never be claimed as a matter of right, I do not consider that any Officer can be held to have been "entitled" to such leave at any specified period, and I must decline to sanction a modification of the rule which provides that leave of absence, taken under Section 9 of the Civil Absentee Rules, shall not be counted as residence.

ORDER.—Ordered that the foregoing Despatch be published in the *Gazette of India*, and that copies of it be forwarded to the Foreign and Home Departments, and the—

Government of Bombay, in continuation of letter from this Department, No. 147, dated the 10th January 1867;

Governments of Bengal, Madras, the North-Western Provinces, and the Punjab;

Comptroller General of Accounts;

Accountants General, Bengal, Madras, Bombay, North-Western Provinces, Punjab, and British Burmah; and
