Proceedings of the Madras Government, Financial Department, 22nd June 1867.

No. 53. Read the following letter from the Secretary to the Government of India, to the Chief Secretary to Government, Fort Saint George ; dated Simla, 31st May 1867, No. 469.

With reference to the Proceedings of the Government of Madras, dated 12th March 1867, Nos. 33 to 36, approving of the Accountant General's proposition to provide funds to the European Coffee Planters in Coorg (conditionally) from the Mangalore Treasury, on the understanding that the amount so taken up by the Planters will be replaced by them at Madras, I am directed to point out that the Accountant General's proposal is virtually one for buying, on certain conditions, the Coorg Planters' bills on their Agents at Madras. This will be an innovation on the established mode of making Government remittances, viz., that of never buying private bills but of only selling Government bills on other Treasuries, and the proper course will be for the Agents at Madras, of the Coorg Planters to buy the Accountant General's bills on the Mangalore Treasury, by first paying the money at Madras, instead of the Coorg Planters first receiving money from the Mangalore Treasury and then repaying through their Agents at Madras.

Ordered that a copy of the above be sent to the Accountant General, Madras.

No. 54. ORDER THEREON, 22nd June 1867, No. 270.

A copy of the foregoing letter will be furnished to the Officiating Commissioner of Coorg, and also to the Accountant General.

With reference to the proceedings of the Government of Madras dated 12th March 1867, №s 33 to 36, approving of the Accountant Generals proposition to provide funds to the European Coffee Planters in Coorg (conditionally) from the Mangalore Treasury, on the understanding that the amount so taken up by the Planters will be re-placed by them at Madras, I am directed to point out that the Accountant Generals proposal is virtually one for buying, on certain conditions, the Coorg Planters bills on their Agents at Madras. This will be an innovation on the established mode of making Government Remittances, viz: that of never buying private bills but of
