No. 41. Read the following:—

From the Accountant General, Madras, to all Collectors and Commissioner of Mysore ; dated Fort Saint George, 2nd July 1867, Circular No. 17.

Book Department,
P. W. B.

In complying with the instructions contained in my Circular No. 5, dated 22nd May 1866, I find that certain Treasury Officers have treated amounts collected by the Revenue Department as money remitted by the Officers of the Public Works Department, simply because such collections were made at the request of the Superintending Engineer. I have the honor, therefore to explain that money *remitted* by Officers of the Public Works Department, and for which a receipt should be given by the Treasury Officer in the prescribed form,* should alone be credited as receipt from Public Works Officers. All others should be shown as Public Works receipts *through the Civil Department.*

Collections made at the request of Public Works Department not to be considered remittances from P. W. D.

* Vide this Office Circular No. 24, dated 2nd Nov. 1866.
