Proceedings of the Madras Government, Financial Department,
18*th July* 1867.

No. 53. Read the following letter from Mr. G. BAILEY, Vizagapatam, to the Chief Secretary to Government, Fort Saint George ; dated Vizagapatam, 4th July 1867.

In taking upon myself to make this appeal, I humbly beg to be pardoned the liberty I have assumed in so doing.

2. In October 1865 I deposited some money into the Savings' Bank in my son's name (George Alfred Vincent), and being at the time totally unacquainted with the rules of the Bank, I thought that I could have the sum, or a portion, withdrawn whenever I wished.

3. In June 1867, I applied to the Vizagapatam Treasury for a withdrawal, but the Deputy Collector refused the repayment, stating that the rules prohibited him from doing so, my son being yet a minor ; upon this I appealed to the Madras Bank, stating my total ignorance of the rules when the deposit was made, as well as my distressed circumstances, and begged that the Pass Book may be transferred to my name, to enable me to draw the amount required. The Bank thereupon (letter enclosed) expressed their inability to do so, without the special sanction of Government.

4. I am now without employment having resigned the Medical Department, and as I am quite a stranger here, with neither relatives nor friends to render me assistance, it is my wish to leave the station (Vizagapatam) for Nagpore, my native home, to seek a livelihood for myself, but with a large family, and without any funds, I find it impossible to do so. The little money, all that I have, is now in the Bank, and unfortunately for me at the very time I stand most in need of funds I am debarred from touching my money.

5. Under these circumstances, I pray that you will be pleased to place the matter before Government for their favorable consideration, and obtain the sanction I now implore for, namely, that the Pass Book may be transferred to my name, or that I may be allowed to withdraw the money before my son comes of age.

No. 227.

MEMORANDUM.

In reply to the letter from Mr. G. Bailey, dated 13th instant, the undersigned regrets to inform him that he is unable to comply with his request, to sanction payment of the amount deposited in his son's name, as Rule 7 prohibits such payments until the minor becomes of age. As, however, Mr. Bailey states that he deposited the money in ignorance of the rule in question, he might address Government on the subject, stating the circumstances under which the deposit was made, and solicit their special sanction for him to withdraw the amount before his son comes of age. In the event of Government complying with his request the necessary order for payment will be issued.

2. The Pass Book received with Mr. Bailey's letter is herewith returned.

In October 1865 I deposited some money into the Saving's Bank in my son's name (George Alfred Vincent) and being at the time totally unacquainted with the rules of the Bank, I thought that I could have the sum or a portion withdrawn whenever I might require it. In June 1867 I applied to the Managing Director of the Bank for a withdrawal, but the Deputy Collector refused the repayment, stating that the Rules prohibited him from doing so, my son being yet a minor. Upon this I appealed to the Madras Bank, stating my total ignorance of the Rules when the Deposit was made as well as my distressed Circumstances and begged that the Pass Book may be transferred to my name to enable me to draw the amount required.
