FINANCIAL DEPARTMENT.

No. 359.

FROM

R. S. ELLIS, ESQ., C. B,
Acting Chief Secretary to the Government of Fort Saint George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am instructed by the Governor in Council to submit the following case for the favorable consideration of His Excellency the Governor General in Council, and to request that sanction may be accorded to the grant of a gratuity of Rupees 42 to Kistnamah, late a Vaccinator attached to the Civil Dispensary at Kamptee.

2. The applicant was permitted to resign the service in April 1866, after 11 years' qualifying service.

3. The application was submitted in the first instance in a very unsatisfactory form, a reference proving that the applicant had been obliged to retire in consequence of repeated attacks of Mania—a medical certificate, declaring him to be incapacitated for further service, was not however granted until the 9th July 1867.

4. In accordance with instructions conveyed in the letter from the Secretary to the Government of India, Financial Department, dated 17th December 1861, No. 14,819, the applicant's claim to a gratuity of Rupees 42, equal to four months' salary under the old rules, would be vitiated by the omission to produce a medical certificate at the time of retirement.

5. As, however, the fault seems to have rested with the Head of the Department with whom the applicant was immediately connected, and as it appears that the applicant was compelled to resign, owing to the infirmity from which he is now certified to be suffering, the Governor in Council recommends the case for special consideration.

I have the honor to be,
Sir,
Your most obedient Servant,

FORT SAINT GEORGE,
5th August 1867.

Acting Chief Secretary.

KAMPTEE,
17th January 1866.

3.

Application on behalf of this man should not apparently be made to this Government, as Kamptee is under a separate Civil Administration. The Kamptee establishment too is not detailed in any book but that of 1865, and thus the return seems to have been sent only by mistake. The ground of application should have been explained, for, as the man was kept on, on the new establishment, he cannot be said to have been dismissed in the reduction caused by its creation.

8th May 1866.

Dy. Accountant Genl., Madras.

From the Deputy Accountant General, Central Provinces, to the Deputy Inspector General of Hospitals, Nagpore Force, Kamptee; dated Nagpore, 4th September 1866, No. 1030.

In returning the gratuity papers submitted to the Secretary to the Chief Commissioner, Central Provinces, with your No. 48, dated 23rd ultimo, transferred to me for report, I have the honor to request you will be good enough to inform me of the Treasury from which the applicant's pay was drawn during the period of his service, also under whose audit the bill for his salary was passed.

2. The Records of this office do not show the applicant's name, to enable me to append the required report to the application.

From Surgeon Major W. WILLIAMSON, in medical charge of the Civil Dispensary, Kamptee, to the Deputy Inspector General of Hospitals, Nagpore Force; dated Kamptee, 11th September 1866, No. 34.

With reference to Docket Memorandum, No. 327, of 6th instant, from your office, requesting me to furnish the information called for by the Deputy Accountant General, Central Provinces, I have the honor, in reply thereto, to state that Vaccinator Kistnamah's pay was drawn during the period of his service from the Kamptee Pay Office, audited by the Civil Paymaster, and subsequently by the Accountant General, Madras.

From Surgeon Major W. WILLIAMSON, in medical charge of the Civil Dispensary, Kamptee, to the Examiner of Claims, Fort Saint George; dated Kamptee, 15th December 1866, No. 40.

With reference to your Official Memorandum, No. 570, of 30th November last, I have the honor to inform you that Kistnamah, late Vaccinator of the Civil Dispensary, Kamptee, was employed as such from 15th March 1855 to 18th April 1866, as borne out by official records, on which latter date his services were dispensed with, on account of his laboring under insanity.

I hereby certify that Kistnamah, late Vaccinator attached to the Civil Dispensary, Kamptee, is incapacitated for further service in the Vaccine Department on account of his liability to attacks of Mania, from which he has suffered on several occasions.

Report of the Examiner of Claims.

The service of the within named individual can be verified from the records of this Office, only from 1st May 1865, as stated in the letter of the Deputy Inspector General of Hospitals, Kamptee, dated 11th September 1866, No. 34; but assuming the period of his service, prior to 1865, as given by Surgeon Major Williamson, in his letter of the 15th December 1866, to be correct, he can be granted the gratuity of Rupees 42, equal to four months' salary, under the old rules, for his service of years 11-1-4, viz., from 15th March 1855 to 18th April 1866.

2. The application originally submitted was for gratuity, without medical certificate, upon the plea of his having been thrown out of employ by abolition of his office, but, as his service

was stated to have been dispensed with on account of insanity in 1866, the Surgeon of Kamptee was called upon to submit a medical certificate in support of the application; hence the medical certificate was dated 9th July 1867.
