Proceedings of the Madras Government, Financial Department, 23rd August 1867.

No. 44. Read the following letter from the Acting Collector of Madras, to the Acting Chief Secretary to Government, Fort Saint George; dated Sydapet, 13th August 1867, No. 165.

In pursuance of the Order of Government, No. 220, of the 17th May last, instructions were issued to the Officers in charge of Treasuries not to receive copper coins for sums exceeding fractions of a rupee, excepting from the Postal, Telegraph, and other Departments, as directed in that Order.

2. The Honorary Secretary to the Anglo-Vernacular School at Sydapet now applies for the permission of Government to receive into the Treasury copper coins which may form part of the collections under the Education Act both in Sydapet and its suburbs.

3. He asserts that much inconvenience and loss will ensue if the copper collections are to be converted into silver and then paid into the Treasury, and I have, therefore, the honor to request that favorable orders may be passed on his application.

From the Honorary Secretary to the Sydapet School Commissioners, to the Acting Collector of the Madras District; dated Sydapet, 6th August 1867, No. 47.

I have the honor to enclose copies of the correspondence noted in the margin, and to request that you will kindly obtain the permission of Government to receive into the Treasury copper coin which may form part of the education cess collections in Sydapet and its suburbs. As stated in the letter to the Accountant General, the greater number of the rate-payers are assessed at 1¼ Anna and 3 Annas each per mensem, and, if the rule prohibiting the receipt of copper is enforced, considerable inconvenience and loss, in the event of conversion into silver coin being insisted upon, will be the result, and the rule of Government that the education cess collections must be paid into the Savings' Bank cannot be carried out with punctuality.

To the Accountant General, dated 31st July 1867, No. 46.
From do. dated 3rd August 1867, No. 2466.

From the Honorary Secretary to the Sydapet School Commissioners, to the Acting Accountant General; dated 31st July 1867.

You are aware that, under a recent Order of Government, as well as under the rules* sanctioned by them for the guidance of the Sydapet School Commissioners, the cess collections under the Education Act must be lodged in the Government Savings' Bank, but the Collector's Office declines to receive copper coin, also under an Order of Government. The greater portion of the rate-payers of Sydapet are assessed at 1¼ Anna and 3 Annas each per mensem, and so a considerable portion of the cess has unavoidably to be collected in copper. I have the honor, therefore, to request that you will be good enough to order an exception to be made in the case of these rate schools, and to authorize the receipt of copper coin into the Treasury.

* Vide letter to the Accountant General, dated 6th January 1866.

From the Acting Accountant General, Madras, to the Honorary Secretary to the Sydapet School Commissioners; dated Fort Saint George, 3rd August 1867, No. 2466.

Budget and Resource Department.

I have the honor to acknowledge the receipt of your letter, dated the 31st ultimo, requesting me to authorize the Collector of Madras to receive the cess collections for the Sydapet School in copper coin when exceeding a Rupee, and, in reply, to state that, under the restrictive orders recently passed by Government, in reference to the receipt of this coin into Government Treasuries, I am unable to order an exemption in favor of your school, without the special permission of Government.
