FINANCIAL DEPARTMENT.

No. 392.

FROM

R. S. ELLIS, ESQ., C. B.,
Acting Chief Secretary to the Government of Fort Saint George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

Referring to Mr. Arbuthnot's letter of the 21st October 1863, No. 681, I am directed by the Governor in Council to forward copy of a letter* from the Superintending Engineer, 2nd Division, bringing to notice the difficulty which he has experienced in procuring suitable persons for the Anicut and Conservancy Establishments in the Kistna District, in consequence of the uncertainty which at present exists as to whether or not servants employed in those establishments will be admitted to the benefit of the Uncovenanted Civil Service Pension Rules.

* Dated 10th August 1867, No. 65.

2. In the Return of Uncovenanted Servants forwarded with Mr. Arbuthnot's letter above referred to, were entered Anicut Superintendents, Overseers, Maistries, and Monegars; Delta, Channel, and Navigation Superintendents; and Lock Maistries, Ameens, and Monegars—whom it is proposed to bring within the operation of the Rules; and I am to request the early orders of the Governor General in Council as to whether these servants, as well as the others entered in the Return furnished in October 1863, may be admitted to pensions.

I have the honor to be,
Sir,
Your most obedient Servant,

FORT SAINT GEORGE,
26th August 1867.

Acting Chief Secretary.

From the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department; dated Masulipatam, 10th August 1867, No. 65.

With reference to G. O., No. 2160, dated 18th ultimo, I have the honor to request that some definite ruling may be obtained concerning the pensions of men serving in the Anicut and Conservancy Establishments.

2. I have experienced much difficulty in obtaining suitable men, on account of the uncertainty that has prevailed on this matter. The Anicut Superintendents and Delta Superintendents should be men with the education and abilities of passed Overseers; but it is obvious that no such persons will enter an establishment in which no pensions are obtainable, whilst the permanent establishments are open to them.

3. One Delta Superintendent (a young man) has tendered his resignation on seeing the G. O., No. 2160, and another, who was ready to send in his application for pension owing to old age, now holds on, in the hope that Government will grant this long expected boon, as he has nothing else to depend on. This does not increase the efficiency of the Department.
