No. 46. Read the following letter from the Mint Master, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 19th September 1867, No. 296.

With reference to the Proceedings of Government in the Revenue Department, No. 1938, dated 20th August 1867, and the Order thereon, I have the honor to inform you that the Returns of Coinage and Currency, Nos. 1 & 2, for the year ending 31st March 1867, have been put in hand, but I am in doubt whether, under the heading "Bullion and Silver Coin imported" in Return No. 1, is meant, importation into the Madras territories, or only into the Madras Mint.

No. 47. ORDER THEREON, 26th September 1867, No. 436.

The Government are of opinion that the information required in the Return referred to in the foregoing letter has reference to the "Bullion and Silver Coin imported during the year" into the Presidency.

2. To obviate any misunderstanding, the Mint Master will specify *separately* in the Return the Bullion, &c., imported into the Presidency, and the Bullion, &c., received into the Mint.

3. The Collector of Sea Customs will be requested to supply the Mint Master with information regarding the Bullion and Silver Coins imported.
