Proceedings of the Madras Government, Financial Department,
27th September 1867.

No. 48. Read the following letter from the Secretary to the Government of India, to the Chief Secretary to Government, Fort Saint George ; dated Simla, 13th September 1867, No. 2524.

With reference to your letter, No. 351, dated 31st July, I am directed to request that, with the permission of His Excellency the Governor in Council, a supplemental Return may be submitted, showing the strength of Police Force at the stations mentioned in the statement attached to your letter, and detailing any separate Medical Establishments, other than those of the Police, which are kept up at the stations. This latter inquiry is suggested by the fact that at many of the stations a menial attendant simply is kept up, which seems to indicate the presence of a Medical Subordinate in a separate Civil or other Hospital at the station. If there be any such separate Civil Hospital, I am to inquire what special need exists for a separate Hospital of any sort for the Police at such small stations, and why one Civil Hospital should not suffice as well for the Police, without attendants for their special benefit.

2. If, on the other hand, there is no Medical Subordinate at the stations where a menial, simply, is charged for, as the Medical Establishment for the local Police, the necessity for this menial representative of the sole Hospital Establishment there should be explained.

3. I am to point out that, beyond the Hospital Establishment for the Police Force at the Head Quarter station of a District, there does not appear to be any other Hospital Establishment for Police in other Provinces.

4. I am further desired to request that the Hospital Establishment for Police at the Head Quarter stations of the Districts in the Madras Presidency may be detailed.

5. It is observed that the Hospital Establishments kept up at Chicacole, Combaconum, Munnargoody, Negapatam, Vizianagram, Cocanada, Ellore, and Cumbum have not been included in the cost of the Police payable by the Municipalities at those places.

No. 49. ORDER THEREON, 27th September 1867, No. 437.

Ordered that the foregoing letter be communicated to the Accountant General and to the Inspector General of Police.

2. The Accountant General will be good enough to furnish the supplemental Return called for in paragraph 1, together with a statement of the Hospital Establishment referred to in paragraph 4.

3. The Inspector General of Police will report on the other points noticed in the letter.

may be submitted shewing the strength
of Police force at the stations men-
tioned in the Statement attached
to your letter and detailing any
separate Medical Establishments
other than those of the Police, which
are kept up at the stations. This
latter enquiry is suggested by the
fact that at many of the stations
a menial attendant, simply is
kept up which seems to indicate
the presence of a Medical Subordinate

in a separate Civil or other Hospital at the station - If there be any such separate Civil Hospital, I am to enquire what special need exists for a separate Hospital of any sort for the Police at such small stations - and why one Civil Hospital should not suffice as well for the Police, without attendants for their special benefit.

If, on the other hand, there is no Medical subordinate at the stations where a menial simply, is charged for, as the Medical Establishment for the local Police, the necessity for this menial representative of the sole Hospital Establishment there should be explained.

I am to point out that beyond the Hospital Establishment for the Police force at the Head Quarter stations of a District, there does not appear to be any other Hospital Establishment for Police in other Provinces.

I am further desired to request that the Hospital Establishment for Police at the head quarter stations of the Districts in the Madras Presidency may be detailed.

It is observed that the Hospital Establishment kept up at Chicacole, Combaconum Munnargoody, Nagapatam, Vizianogram, Cocanada Ellore, and Cumbam have not been included in the cost of the Police payable by the Municipalities at those places -
