Proceedings of the Madras Government, Financial Department, 1st October 1867.

No. 1. Read the following letter from the Mint Master, to the Chief Secretary to Government, Fort Saint George ; dated 24th September 1867, No. 304.

I have the honor to request that you will have the goodness to obtain the sanction of Government to the enclosed bill for the salary of Apprentice S. Barlow of the Mint Foundry, which the Examiner of Claims has disallowed, from the 15th August, in consequence of the Apprentice having filed a petition in the Court for the relief of Insolvent Debtors on that day.

2. I was not aware of the circumstance until the Examiner of Claims informed me of it, the notice in the *Gazette* having accidentally escaped observation in my office, and the Apprentice, therefore, continued to perform his duty until the 4th September, when I suspended him in accordance with Order of Government, No. 2539, 28th October 1859.

3. Owing to the Courts being closed for the vacation, this case will not be heard until the 24th of October, and meanwhile the man is thrown out of work, and, in addition to being deprived of livelihood, must incur additional debt for his own support and that of those dependant on him ; I therefore take the liberty of submitting a copy of his Schedule and Balance sheet, although it would be more correct to wait until I could also forward the Judge's order.

4. The Apprentice's salary is Rupees 30 a month ; and from his Balance sheet, and the inquiries I have made in the case, I am satisfied that his indebtedness is not to be attributed to extravagance of any nature, but arose from the number of relatives dependant on him, and deaths, which entailed funeral expenses.

His family consists of himself, wife, two children, one since dead, mother, mother-in-law, and sister.

He has been eight years in the Mint and borne a good character, and I, therefore, request a favorable consideration of his case, and beg permission to allow him to return to his work in the Foundry.

No. 2. ORDER THEREON, 1st October 1867, No. 442.

Under the circumstances stated in the foregoing letter, the Governor in Council directs that Apprentice S. Barlow of the Mint Foundry be allowed to return to his work, on the understanding that his retention in the Mint will be subject to any orders which Government may deem it necessary to pass on his petition being disposed of by the Insolvent Court.

2. The Audit Department will pass Apprentice S. Barlow's salary from the 15th August to the 4th September inclusive, the date on which he was suspended, and also from the date on which he returns to work. This date will be reported by the Mint Master.
