Proceedings of the Madras Government, Financial Department,
17th October 1867.

No. 38. Read the following letter from the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George ; dated Fort Saint George, 12th October 1867, No. 396.

Adverting to Proceedings of Government, Financial Department, No. 449, of 4th October 1867, I have the honor to state that Mr. Moodeen Sheriff informs me he hopes to be able to send to Government the first 30 or 40 proof pages of his Catalogue in time for the Mail of the 27th instant, and to continue to forward a few sheets in time for each alternate Mail thereafter, until the work is complete.

2. He estimates that this might be accomplished in six or eight months, if the employés of the Government Press could devote more time to it ; but at the present rate of progress it will take about double that period.

No. 39. ORDER THEREON, 17th October 1867, No. 467.

A copy of the foregoing letter will be furnished to the Supervisor of the Government Press, who will report whether arrangements can be made to have the proof sheets of the Native Synonyms struck off with greater rapidity.
