No. 36. Read the following letter from Colonel J. CARPENDALE, R. E., Mint Master, Madras, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 1st November 1867, No. 360.

With reference to the orders of Government, contained in the Minutes of Consultation in the Marine Department under date the 10th June 1842, No. 167, I have the honor to forward, for re-transmission to the Right Honorable the Secretary of State for India, the accompanying original Packing account of Mint Stores received from England per Ship *Cornwallis*.

2. The Committee of Survey appointed to inspect and report on the condition of the stores state that, although the cases were received in good order, 30 Copper Slips, weighing 111 lbs., were found deficient, and there was one Slip excess in case No. 5739 ; particulars of the deficiencies are appended to the Packing account.

3. This consignment of copper was carefully examined and weighed by a Committee in the same manner as fully detailed in my letter, as per margin, regarding the Slip Copper received per Ship *Roxburgh Castle*, and as then, so in the present instance, whenever a deficiency existed, the copper wires fastening the bundles of Slips of Copper were found cut, and yet the boxes were all received in good order, and had no appearance of having been tampered with on board ship, or after landing in Madras.

No. 37. ORDER THEREON, 11th November 1867, No. 504.
