No. 63. Read the following letter from the Controller of Military Accounts, to the Secretary to Government, Military Department, Fort Saint George; dated Fort Saint George, 12th November 1867, C.

I have the honor to forward a letter from the Superintendent, Army Clothing, dated 11th October 1867, No. 1846, with enclosures, requesting that the sanction of Government may be obtained to a further sum of Rupees 7,288-11-7, unclaimed from the funds assigned for compensation and half-mounting, being invested for the purpose of increasing the fund from which the clerks of the Clothing Board Establishment are pensioned, established under the Order of Government, dated 11th August 1858, No. 229 (Public Department).

2. In the accompanying letter * of the Military Accountant, it is shown that the sum named pertains to the old Off Reckoning Fund, and if the Pension Fund for its clerks is to be maintained, there is no objection to the amount in question being added; but as the arrangement is not in accordance with the existing system of finance, and as nearly thirteen years have elapsed since the clerks entered† the service of Government, I would submit for consideration whether it would not be a preferable measure to admit, as has been authorized ‡ by the Government of India in respect to the Military Fund Establishment, the service rendered to the Clothing Board as service for pension from Government, and abolish the special fund.

* Dated 23rd October 1867, No. 2906.

† Commencement of 1855.

‡ Proceedings of Government, dated 4th October 1867, No. 3827.

3. Colonel Silver requests the return of the enclosures of his letter.

——

The reply of that Officer is annexed, and I have the honor to request you will please take the necessary measures to give effect to Colonel Drury's suggestion.

* To be returned when no longer required.

Adverting to your letter, No. 1006, dated 9th July 1867, I have the honor to forward correspondence as per margin (to be returned), relative to the sum of Rupees 11,800 invested in the 5½ per cent Government Loan to provide for pensions of clerks of the late Army Clothing Office.

2. It would appear on the representation to Government by your Department in March 1858 that a sum of Rupees 11,792-0-0, being balance of deposits on account of unclaimed compensation and half-mounting that had accumulated from 1829 to 1854 remained unadjusted. Government, after investigation, directed the Accountant General to invest the amount in the 5 per cent. Government Loan, in view to the interest accruing thereon being appropriated towards pensioning the clerks in your office.

3. These instructions were carried out by the Accountant General in communication with your office.

4. The sum of Rupees 7243-4-4,* under reference, being shown to have accumulated under circumstances similar to those above stated, I would suggest your applying to Government, through the Controller of Military Accounts, for sanction, to incorporate it with the existing Pension Fund of your office.
