FROM

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
HOME DEPARTMENT.

SIR,

In continuation of my letter of this date, No. 582, I am directed to transmit the Budget Estimate of the Jails in this Presidency for the ensuing official year 1868-69.

2. The Inspector General of Jails estimates the probable outlay, including advances, at Rupees 8,52,330, which is Rupees 54,050 in excess of the Budget provision for 1867-68, and Rupees 93,827 in excess of the actuals for 11 months, or from the 1st May 1866 to the 31st March 1867. The excess is chiefly under the head of Rations, viz., Rupees 53,469, in consequence of the introduction of the new scale of diet in some of the Jails in which it was not adopted last year, and to the increased expenditure consequent on the establishment of four additional Jails. It will be seen, however, that the increase on account of Rations over the actuals in 1866-67, is not above Rupees 4337.* The increase of Rupees 7981, under the head of "Fixed Establishments," has arisen from the additions made to the Central Jail Establishments at Vellore, Trichinopoly, and Cannanore, as well as to other Jails. Provision has been made for an increased outlay on account of Manufactures to the extent of Rupees 3870; but this, it is expected, will be covered by the larger sale of Jail Manufactures. The Inspector General of Jails estimates the probable Judicial Receipts at Rupees 65,530; but the Governor in Council would, for the reasons assigned by the Accountant General in the Column of Remarks, reduce it to Rupees 50,000, which will still be in excess of the estimate for 1867-68 by Rupees 10,000.
