Proceedings of the Madras Government, Financial Department,
14th March 1868.

No. 52. Read the following letter from the Secretary to the Government of India, Financial Department, to the Chief Secretary to Government, Fort Saint George; dated Fort William, 18th February 1868, No. 971.

I am directed to acknowledge the receipt of your letter, dated 31st December 1867, No. 587, submitting a proposition for admitting certain classes of servants employed in Anicut and Conservancy Establishments to the benefits of the Uncovenanted Service Pension Rules, and furnishing a statement of the number of such servants, their pay, and the duties of each class.

2. In reply, I am desired to state that most of the servants included in the statement, viz., those receiving more than 10 Rupees a month, may, with reference to the duties assigned to them, be deemed eligible to pension under existing rules, and that a formal declaration of their admission to the benefits of the Uncovenanted Service Pension Rules appears therefore to be unnecessary.

3. Regarding the men who receive Rupees 10 a month and under, I am to state that there seems to be no sufficient reason for making an exception in their favor.

Ordered, that a copy of the above letter, and of the statement referred to, be furnished to the Accountant General, Madras, for information.

No. 53. ORDER THEREON, 14th March 1868, No. 146.

Communicated to the Public Works Department, with reference to the Proceedings in that Department, dated the 19th December 1867, No. 3919.
