Proceedings of the Madras Government, Financial Department, 24th March 1868.

No. 70. Read the following letter from the Commissioner of Issue of Paper Currency, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 9th March 1868, No. 485.

I have the honor to submit, for the consideration of Government, an application from the Deputy Commissioner of Trichinopoly for the pay of his Peons being raised to 8 Rupees a month to put them on an equality with the Peons in the Collector's establishment, and to observe that a similar increase was sanctioned in Order, No. 444, 21st September 1865, for the Peons of the Paper Currency Department at Calicut.

From the Deputy Commissioner of Issue of Paper Currency, Trichinopoly, to the Commissioner of Issue of Paper Currency, Madras ; dated Trichinopoly, 4th March 1868, No. 13.

The pay of the two Peons attached to the Currency office was fixed at 7 Rupees, the same that was then allowed to the Peons on the Collector's establishment. The latter having been since raised to Rupees 8, I have the honor to request that sanction may be obtained for a similar increase to the pay of the two Currency Peons, in order that there may be sufficient inducement held out to them to remain in their present appointments without seeking promotion elsewhere. I beg to add, that the increase would appear to have been already granted in the Currency office at Calicut.

No. 71. ORDER THEREON, 24th March 1868, No. 163.

Under the circumstances represented in the foregoing letters, the Governor in Council is pleased to sanction the proposed increase of pay to the two Peons attached to the Issue Department of Paper Currency at Trichinopoly, from 7 to 8 Rupees each per mensem.
