Proceedings of the Madras Government, Financial Department,
24th March 1868.

Read the following papers :—

No. 75. From the First Assistant Resident in charge, Hyderabad Residency, to the Chief Secretary to Government, Fort Saint George ; dated Hyderabad, 28th February 1868, No. 578.

I have the honor to enclose an Indent on the Madras Mint for Presses, &c., required on payment for the use of His Highness the Nizam's Government, and to request that His Excellency the Governor in Council will be pleased to authorize the issue of the articles in question, as the Nizam's Minister is very anxious to have them, with a view to improve the Hyderabad Mint.

Forwarded to the Mint Master for report, as to whether the articles specified in the Indent received with this letter can be supplied from the Madras Mint.

FORT SAINT GEORGE,
4th March 1868.

(Signed) C. G. WALKER,
Under Secretary to Govt.

No. 76. From the Mint Master, Madras, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 13th March 1868, No. 560.

I have the honor to return the letter, with Indent, from the Resident at Hyderabad, forwarded with your Endorsement of the 4th instant, and to state that the whole of the machinery for coining could be gradually supplied from this Mint, but much of it is not at present available.

2. I have noted on the Indent such articles as are now complete, or could be made so, with small repairs, and added a list of articles required to be made up to complete the Indent, and propose charging for all the old machinery the prices that would probably be realised for the material at auction, *plus* the cost of repairs, and for the new articles to be made ; a bill according to the usual Mint charges would be prepared, the laminating mills coming under this head, as although partly old, I did not purpose getting rid of them, as in the case of other machinery, which has been superseded by more modern styles. The most extensive part of the work would be the machinery for working the laminating mills by bullocks, as they were formerly worked by a Steam Engine, and this would occupy several months.

No. 77. ORDER THEREON, 24th March 1868, No. 165.

The Mint Master is authorized to supply the Nizam's Government at once with such of the articles as are available, and to make up the others with as little loss of time as possible.

2. Ordered that the following letter be sent to the Resident of Hyderabad:

(Here enter 24th March 1868, No. 166.)

(True Extract).

Chief Secretary.

To the Mint Master, with Indent.
,, Accountant General.

Ed. F. B. Bantleman.

to Government.

Sir,

Para 1. I have the honor to return the letter with Incident from the Resident at Hyderabad forwarded with your endorsement of the 4th instant, and to state, that the whole of the Machinery for Coining could be gradually supplied from this Mint, but much of it is not at present avail-
able.

2. I have noted on the Indent such Articles as are now complete, or could be made so with small repairs, and added a list of Articles required to be made up to complete the Indent, and propose charging for all the old Machinery the prices that would probably be realised for the Material at Auction, plus the cost of repairs,

and

and for the new articles to be made, a bill
according to the usual Mint charges,
would be prepared, the laminating Mills
coming under this head, as although
partly old, I did not purpose getting rid
of them, as in the case of other Machinery,
which has been superseded by more modern styles.

The most extensive part of the work
would be the Machinery for working the
laminating Mills by Bullocks as they
were formerly worked by a steam engine
and this would occupy several months.

I have the honor to be,
