No. 12. Dated Treasury, 17th April 1868, No. 132.

It appears from the reply of the Superintendent of Army Clothing to the requisition in Proceedings in this Department, No. 527, of the 19th November last, that there are now remaining in employment only three persons formerly employed in the Office of the Clothing Board. Of these, one only performed service, which would entitle to pension under the new Rules, if extended to such service, and his employment so entitling amounts only to eight days. As, however, it appears desirable to do away with the irregular pensions already granted, the Government of India will be requested to allow the pensions now paid to be defrayed from general revenues, and the persons named by Colonel Silver to be declared entitled to count service in the Clothing Board as Government Service.

Chief Secretary.

No. 13. To the Secretary to the Government of India, Financial Department, dated Fort Saint George, 17th April 1868, No. 133.

I am directed to forward to you, for the consideration of His Excellency the Viceroy and Governor General in Council, the accompanying papers relative to the pensions paid to Clerks in the late Clothing Board.

Proceedings, 19th November 1867, Nos. 527 and 528.
Do. 17th April 1868, Nos. 130—132.

2. The Clothing Board was the antecedent of the present Superintendent of Army Clothing, and was not a Government Office. In the year 1856 the Government of Madras sanctioned the grant of pensions to the Clerks in the Army Clothing Office, whose service under Government had dated only from the beginning of 1854, the date of the assumption by Government of the Agency for clothing the Army. It appeared that between 1849 and 1854 there had accumulated a balance of deposits from "Unclaimed Compensation and Half Mounting," amounting to Rupees 13,702, arising out of operations in the Clothing Office, and from this Fund the pensions were paid, the principal having been invested in the 5 per cent. loan.

3. Subsequently, one of the pensions lapsed, and two have since been granted, so that the Fund is now charged with three pensions, two of Rupees 10½ and one of Rupees 11½, or Rupees 32½ monthly, or Rupees 390 annually, which are paid from the interest. Balances of interest have from time to time been invested, and there now appears to be a further sum of Rupees 7,268-11-7 arising from the same sources, accruing in the years 1849—1854, but now only brought to final account.

	Salary.

" 3.—Clothing Board, from 1st January 1843, transferred on 1st January 1854, a vacancy.	

4. There remain eligible to pension or gratuity from this Fund only three persons, whose service in the Clothing Board and under Government is as shown in the margin.

5. I am to request that the Fund may be done away with, and its amount carried to the credit of Government; that the present pensions may be paid from General Funds; and that the services of the three persons last alluded to, in the Clothing Board, may be considered service under Government for the purposes of the Pension and Gratuity Rules.

Sir,

I am directed to forward
to you for the consideration
of His Excellency the Viceroy
and Governor General in Council
the accompanying papers relating
to the pensions paid to Clerks
in the late Clothing Board.

The Clothing Board was
the antecedent of the present

Government of Bombay sanc-
tioned the grant of pensions
to the Clerks in the Army
Clothing Office when those

only from the beginning of 1854, the date of the accompt-ation by Government of the Agency for clothing the Army. It appears that between 1849 and 1854 there has accumulated a balance of Deposits from "Unclaimed Compensation and Half Mourning" amounting to Rupees 11792, arising out of operations in the clothing Office and from this fund the pensions were paid the principal having been invested in the 5 per Cent Loan.

Subsequently one of the pensions lapsed, and two have since been granted, so that the Fund is now charged with three pensions, two of Rupees 10 p.m and one of Rs 8 p.m or Rupees 28 p.m monthly, or Rupees 336 annually, which are paid from the interest. Balances of Interest have from time to time been invested and that

there now appears to be a further sum of Rs 7201-8-7 arising from the same source, accruing in the year 1849-54 but now only brought to final account.

Three remain eligible to pension separately from this fund, only three persons whose service in the Clothing Board and military Government is as shown in the margin.

I am to request that the fund may be done away with and the amount carried to the credit of Government, that the present pensions may be paid from General Funds and that the services of the three persons last attached to the Clothing Board may be considered service under Government for the purpose of the Rules for Gratuity Pension.
