Proceedings of the Madras Government, Financial Department,

18th April 1868.

No. 20. Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 15th April 1868, No. 309.

With reference to my letter, No. 922, dated 6th December 1867, recorded in Proceedings of Government, dated 19th December 1867, No. 566, Financial Department, I have the honor to state, for the information of His Excellency the Right Honorable the Governor in Council, that out of the 237 cases then on hand in the Pension Report Department of this Office all have been finally disposed of except 21, which are under reference to the Officers, who submitted them for further information.

2. Since 7th November last 261 applications have been received, of these 14 have been finally disposed of, 84 are under reference to the Officers, and 163 remain unlooked at.

3. During the past five months, therefore, 230 cases have been finally disposed of, and those still under reference, amounting to 105, have been examined and prepared as far as materials would allow for submission to Government. These two items, however, do not represent the entire work of the Department, as many of the cases finally disposed of were in the first place referred, during the period in question, to the submitting Officers for further details, and the number of these references has not been recorded.

4. On 31st ultimo the work on hand was—

Pension	51	Cases under reference	105
Gratuity	137	,, unlooked at	163
Compassionate allowance	80		
Total	268	Total	268

In these circumstances, I have the honor to solicit that Government will sanction the continuance of the grant of Rupees 100 a month from 19th ultimo until the end of June, when, unless there is a large influx of applications, I trust the cases undisposed of will be limited almost, if not entirely, to those "under reference" at that date. The number of these, however, I have no doubt, judging from past experience, will still be very considerable, for the Officers, as a rule, take a long time to furnish the information called for, but the cases, having been well looked into before being referred to the Officers, will be easily disposed of upon receipt of the particulars that were wanting.

No. 21. ORDER thereon, 18th April 1868, No. 209.

Under the circumstances brought to notice in the foregoing letter, the Governor in Council is pleased to sanction the continuance of the grant of Rupees (100) one hundred per mensem from the 19th ultimo to the end of June next.

These however do not represent the entire work of the Department, as many of the cases finally disposed of were in the first place referred during the re-
