No. 13. Read the following letter from the Secretary to the Government of India, to the Chief Secretary to Government, Fort Saint George; dated Fort William, 31st March 1868, No. 1699.

Expenditure,
Law and Justice.

In reply to your letter, No. 457 dated 9th October 1867, I am directed to state that the sanctions of fresh charges in July 1867, reported in the two Statements therewith received, are confirmed with the following remarks.

2. The allowance of one hundred Rupees a month to the Zillah Surgeon of Trichinopoly for the medical charge of the Central Jail at that station was doubtless granted by the Government of Madras in accordance with Financial Resolution, No. 2804, dated 20th October 1866, but I am to point out that since the passing of that Resolution, the allowances of Civil Medical Officers have been revised, and as no special allowance for the medical charge of a Jail has been authorized in any of the orders quoted on the margin, the grant of October 1866 should be considered anew, with reference to the fact that a Medical Officer who is Superintendent of a District Jail containing 300 prisoners and upwards, and who in that capacity has administrative as well as medical charge of the Jail, receives an extra allowance of only Rupees 150 monthly. The recommendations of the Government of Madras on this subject may be submitted to the Government of India in the Home Department.

Financial Notifications—
No, 2294, dated 25th April 1867.
,, 3276, ,, 24th December 1867.

3. The allowance of Rupees 50 a month, as a special case, to the Apothecary who is in independent medical charge of the Convicts and Police located on the site of the Central Jail at Cannanore is temporary, it is presumed. The grant should have been specially reported, the Local Government not being empowered to sanction any such additional allowance as a special case.
