Service qualifying for pension is proved for a total period of...	9	8	18

Applicant is eligible to a gratuity of Rupees 270, equal to nine months' salary under Clause I. of Section 6, of the Revised Pension Rules.

The applicant ceased to do duty on the 1st July 1867, and the cause of delay in submission of application until 23rd November 1867, is explained by the Collector in his Memorandum, dated 17th March 1868, No. 784, herewith accompanying.

It will be observed in the accompanying Printed Memorandum from this Department, dated 15th February 1868, and the Memorandum of the Collector, dated 17th March 1868, No. 784, herewith accompanying, that a Medical Certificate was not at first submitted, the Collector did so only upon application by this Office, hence it is dated 16th March 1868.

FORT SAINT GEORGE,

To the Chief Secretary to Government, Civil Pension Department.

Order, 19th May 1868, No. 148.

Sundarathola Pillai, late Revenue Inspector in the Tinnevelly District, was relieved from duty on the 30th June 1867, after a service of 36 years and 9 months. His conduct had been good with the exception of one occasion when being in the Police he neglected his duty in not apprehending the offenders in a robbery case, and was suspended for one year.

2. His service in Pension grades was only 9 years, 8 months, and 18 days; but under the erroneous impression that no medical certificate was required as he had served more than 30 years, the Head of his Office did not call upon him to undergo medical examination. The Examiner of Claims, however, called for a certificate, which was furnished on the 16th March 1868. For this delay he is not to blame.

3. His last salary was Rupees 30, and he is eligible to a gratuity of nine months' pay, or Rupees 270, which the Governor in Council is pleased to grant him, subject to the confirmation of the Government of India, which will be asked, the medical certificate not having been obtained before resignation.
