Proceedings of the Madras Government, Revenue Department, 28th May 1868.

No. 635. Read the following letter from the Accountant General, to the Secretary to Government, Revenue Department, dated Fort St. George, 20th May 1868, No. 45 :—

1. With reference to the Proceedings of Government in the Revenue Department, No. 1,176, dated the 30th ultimo, I have the honor to state that the sum of Rupees 30,000 therein referred to, was, when disbursed by the Collector of Malabar in December last, debited to "Advances Recoverable," under which head it remains unadjusted to this date.

2. As the savings* in the Budget grant for 1867-68, under "6, Forest," is not sufficient to cover the above expenditure, I beg to suggest that an application be made to the Government of India, through the Financial Department, for a transfer of Rupees 20,000 to it from savings under grant "26, Allowances and Assignments under Treaties and Engagements," in order to enable me to effect the necessary adjustments in the books of this office for last year.

No. 54. Read the following Proceedings of the Board of Revenue, dated 23rd March 1868, No. 2,068.

Read the following letters:—

From the Collector of Malabar, to the Secretary to the Board of Revenue, dated on Circuit at Cochin, 13th December 1867, No. 278A.

1. I have the honor to report that after much delay caused by certain jealousies in the family, and a variety of external influences, the Lease Deed of the Annamallay forest tracts, formerly leased by the Kolangode Nambidi to the British Government, has at length been duly executed. It is so manifestly to the true interests of the family, as well as to those of Government, that this tract should be under proper conservancy, that I am very glad the difficulties to a settlement have been at last overcome.

2. I enclose a copy of the Deed, which has been duly registered.

3. It was absolutely necessary to allow permission for the contracts said to have been entered into with the private parties mentioned at the end of the Lease Deed to be carried out. They are to be carried out, it will be perceived, under the supervision of the Forest Department.

4. Having had much demi-official correspondence on the subject, and knowing that the advance of Rupees 30,000 was approved by Government; knowing also that it was most undesirable to leave any opening for retraction, I have paid the advance to the lessor in anticipation of formal sanction, which I beg may now be accorded for the due adjustment of the accounts.

ENCLOSURE No. 1.—Copy of Deed.

From the same Officer, dated 7th February 1868, No. 31.

In continuation of my letter, dated 13th December 1867, No. 278A, I have the honor to request that sanction may be accorded for payment of the usual fee of Rupees 25 and Annas 8 to the Sub-Registrar of Kolangode, for the registration of the Lease Deed executed by the Kolangode Nambidi to the British Government.

Submitted to Government, with reference to their Order under date 10th June 1867, No. 1,306, with the Board's request that the necessary sanction may be accorded to the expenditure reported by the Collector for advance and registration.

No. 55. ORDER THEREON, 2nd April 1868, No. 872.

Forests, No. 5.

1. The expenditure of Rupees 30,025-8-0 made by the Collector of Malabar, in connection with the renewal of the lease of the Annamallay forest tracts from the Kolangode Nambidi, is approved and sanctioned.

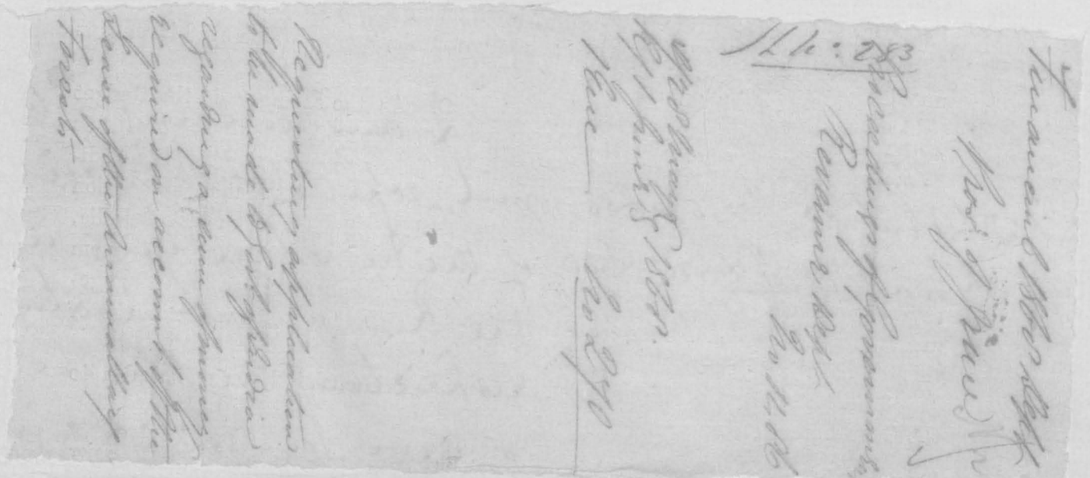

2. The Government presume that provision was made for it in the Forest Budget.
