FROM

THE HONORABLE R. S. ELLIS, C. B.,
Chief Secretary to the Government of Fort Saint George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT,

SIR,

I am directed to forward, for the orders of the Government of India, the accompanying Proceedings of this Government in the Pension Department, dated 28th May 1868, No. 162, relating to the grant of gratuity of Rupees 220 to H. Janekeramiah, late 3rd Accountant in the Department Public Works in the Kistna District. It will be observed that the medical certificate of incapacity on behalf of the applicant was not obtained until he had been for 18 days out of the public service.

2. I am to state that the Proceedings contain a full account of the reasons which induced this Government to propose the grant of gratuity, and I am to request that the same may be confirmed by the Government of India.

I have the honor to be,
Sir,
Your most obedient Servant,

FORT SAINT GEORGE,
6th June 1868.

Order, 28th May 1868, *No.* 162.

H. Janekeramiah, late 3rd Accountant in the Department Public Works in the Kistna District, is reported disqualified for further service by failure of his sight. His whole reported service is 22 years, and of this the first 10 years, 2 months, and 29 days was passed in posts as Maramut Maistry and Goomastah in an establishment paid for by the Court of Wards, as employed on estates under management. This service, as being his first service, cannot, under the orders of Government, count as service for pension, and hence the service qualifying for pension is reduced to 11 years, 2 months, and 5 days.

2. The applicant is eligible to a gratuity of 11 months' pay of Rupees 220, and this the Government will be prepared to grant him, on the confirmation of these Proceedings by the Government of India, to whom they must be referred, the medical certificate of the applicant being dated 22 days after his removal from the service. No direct explanation of the delay is given, but as the applicant had previous to his retirement been under medical treatment for 3 months ending on the day of his retirement, it is probable that it was the formal grant of the certificate only which was delayed.
