Proceedings of the Madras Government, Financial Department,
21st January 1868.

No. 45. Read the following letter from the Mint Master, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 15th January 1868, No. 458.

With reference to the Orders of Government contained in the Minutes of Consultation in the Marine Department, under date the 10th June 1842, No. 167, I have the honor to forward, for retransmission to the Right Honorable the Secretary of State for India, the accompanying original Packing Account of Mint Stores received from England per Ship *Sir Robert Seppings*.

2. The Committee of Survey appointed to inspect and report on the condition of the stores state that, although the cases were received in good order, 77 copper slips, weighing 287½ lbs., were found deficient, and there was a 2 lb. iron weight found in case No. 6316. Particulars of the deficiencies are appended to the Packing Account.

3. This consignment of copper was carefully examined and weighed by a Committee in the same manner as fully detailed in my letter, as per margin, regarding the slip copper received per Ship *Roxburgh Castle*, and, as then, so in the present instance, wherever a deficiency existed, the copper wires fastening the bundles of slips of copper were found cut, and yet the boxes were all received in good order, and had no appearance of having been tampered with on boardship or after landing in Madras.

No. 292, 18th September 1867.

No. 46. ORDER THEREON, 21st January 1868, No. 28.

Ordered that a copy of this letter, together with the Packing Account and Statement received with it, be forwarded to the Secretary of State.
