Not to be folded or roughly handled

Proceedings of the Madras Government, Financial Department.
14*th July* 1868.

No. 37. Read the following letter from the Mint Master, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 8th July 1868, No. 133.

With reference to the orders of Government, contained in the Minutes of Consultation in the Marine Department, under date the 10th June 1842, No. 167, I have the honor to forward, for re-transmission to the Right Honorable the Secretary of State for India, the accompanying original Packing account of Mint Stores received from England per ship *General Caulfield*.

2. The Committee of Survey appointed to inspect and report on the condition of the stores state that they were received correct and in good order, with the exception that instead of Parting Jars, which were indented for and mentioned in the Packing account as being supplied, small Parting Glasses have been received, and which are unsuited for the purpose required, viz., refining gold in large quantity. The glasses are only 5¾ inches high, and such as are used in assaying gold. Parting Jars for refining gold are of white crockery, measure 13¾ inches high and 13½ inches in diameter at bottom, and are in form as per drawing which accompanies.

3. I enclose an emergent Indent in duplicate for the number required.

No. 38. ORDER THEREON, 14th July 1868, No. 328.

Ordered that the Indent and Packing account received with this letter be forwarded to the Secretary of State for India.

(True Extract).

Chief Secretary.
