Proceedings of the Madras Government, Financial Department,
22nd July 1868.

No. 59. Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George ; dated Fort Saint George, 10th July 1868, No. 730.

Presidency Audit Department.

As, under Section 28 of the Civil Service Rules, leave allowances are payable monthly to Officers absent in India, I have the honor to inquire whether Government have any objection to allow absentees on privilege leave to draw their pay at the station where they may be residing during such leave, without requiring them to pay commission.

2. The system of adjustment entries between Districts having been abolished, the concession will not cause any additional entries in the Books. The extra labor which it will entail will fall upon the Examiner of Claims and Treasury Officers, as they will have to give last pay certificates to the Officers concerned.

3. Judges absent from their stations during the adjournment of their Courts will share in the privilege if it be conceded.

4. I may mention, in conclusion, that, under orders of the Government of India, the Honorable G. N. Taylor's salary, as member of the Governor General's Council, has been paid by the Examiner of Claims here without commission being levied.

No. 60. ORDER THEREON, 22nd July 1868, No. 340.

The Government see no objection to Officers absent on privilege leave drawing their pay at the station where they may be residing during such leave, without requiring them to pay commission.
