Proceedings of the Madras Government, Financial Department, 30*th July* 1868.

No. 72. Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 9th July 1868, No. 97.

Book Department.

I have the honor to inquire whether Government intend that a "No Demand" Certificate is to be given by this office to every Military Officer in Civil employ who leaves India under the Regulations of 1868, simply because he goes on "Furlough."

2. When an Officer left India under the Regulations of 1854 on leave, retaining his appointment, this office did not furnish the above-named certificate in virtue of Government of India Resolution, dated 4th June 1860, No. 4862, Financial. It appears to me, therefore, that so long as an Officer going on "Furlough" under the Rules of 1868 retains a lien upon his appointment, the same practice should obtain.

3. I make this reference because the Adjutant General has called upon Lieutenant Colonel R. M. Macdonald, Staff Corps, Registrar General of Assurances, who proceeds to England by next Steamer, to furnish the document in question.

No. 73. ORDER THEREON, 30th July 1868, No. 347.

The Governor in Council concurs with the Accountant General in considering that it is not necessary, under the terms of the Resolutions of the Government of India, dated 14th July 1858, No. 4227, and 4th June 1860, No. 4862, that his office should furnish a "No Demand" Certificate to every Military Officer in Civil employ, who proceeds on Furlough and retains his appointment.

SIR,

I have the honor to enquire, whether Government intend that a "No Demand" Certificate is to be given by this Office to every Military Officer in Civil Employ who leaves India under the Regulations of 1868, simply because he goes on "Furlough".

2 When an Officer left India under the Regulations of 1854 on leave, retaining his appointment this Office did not furnish the above named Certificate in virtue of Government of India Resolution dated 4th June 60 No. 4862 Financial. It appears to me therefore that so long as an officer going on "Furlough" under the rules of 1868 retains a lien upon his appointment, the same practice should obtain.

3 I make this reference because the Adjutant General has called upon Lieut. Colonel R. Macdonald, Staff Corps, Registrar General of Assurances, who proceeds to England by next Steamer to furnish the document in question.
