FINANCIAL DEPARTMENT.

No. 389.

FROM

THE HONORABLE R. S. ELLIS, C. B.,

Chief Secretary to the Government of Fort Saint George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

FINANCIAL DEPARTMENT.

SIR,

I am directed to forward, for the orders of the Government of India, the accompanying Proceedings of this Government in the Pension Department, dated 18th instant, No. 267, relative to the grant of a pension to Pochirazu Subbarow, late 5th Goomastah of the Papur Taluq, Nellore District, and to request that the Governor General will be pleased to confirm the same.

2. It will be observed from the Proceedings that, owing to a non-observance of the rules in force, Pochirazu Subbarow was relieved from duty three months prior to a medical certificate being obtained, an irregularity which renders this application necessary.

I have the honor to be,
Sir,
Your most obedient Servant,

FORT SAINT GEORGE,
26th August 1868.

Chief Secretary.

Proceedings of Government, Pension Department,

Read the following papers :—

From the Acting Collector of Nellore.

(Here enter 9th December 1867).

Report of the Examiner of Claims.

(Here enter 24th July 1868, No. 783).

Order, 18*th August* 1868, *No.* 267.

The Governor in Council is pleased, subject to the confirmation of the Government of India, to grant Pochirazu Subbarow, late 5th Goomastah of the Papur Taluq, Nellore District, a monthly pension of Rupees 4-12-0, equal to one-third his average salary for the last five years, under Clause II, Section 6, of the Revised Pension Rules, to take effect from 5th July 1867.

2. The Government consider that the explanation of the delay of three months in procuring the medical certificate of incapacity of the applicant is unsatisfactory. The Collector should have been aware that he could not certify the applicant's unfitness ; and, without such certificate, the applicant should not have been discharged.

3. The neglect to observe the Rule, the importance of which has been repeatedly impressed on the Heads of Departments, renders an application to the Government of India necessary.

Read.

No. 389.
Enclosure.

Requesting confirmation of the Proceedings of Government, granting a pension of Rupees 4-12-0 a month to P. Subbarow, late 5th Goomastah of the Papur Taluq, Nellore District.

Proceedings of a Committee directed under Orders of Government, N° 173 dated June 8th 1868 to assemble for the purpose of reporting on the case of M. Parthasarathy Naidoo late Head Fireman & Maistry of the Assay Department, Madras Mint.

Surgeon Major G. Smith M.D. — President
Surgeon W. H. Harris M.D.
do H. King A.B. & M.B. } Members

The Committee constituted under the Orders of Government N° 173 dated June 8th 1868 by the Inspector General Indian Medical Department, for the purpose of reporting "whether as is affirmed the eyesight of M. Parthasarathy Naidoo late Head Fireman & Maistry in the Assay Department of the Mint has been seriously and permanently injured by the work on which he was employed under Government" — assembled at the Eye Infirmary on Tuesday the 16th instant at 7 A.M.

2. The Committee having carefully examined the above named Candidate for pension, find that he is suffering from fully formed Nuclear Cataract of the right, and from advanced Cataract of the left eye, a condition which incapacitates him from any further Service. The Committee are further of opinion that the nature of the employment in which this Candidate for pension has been engaged during the last 28 years in the Assay Department of the

Mint, is such, that injury to his eyesight
has very probably resulted there from.

Colonel J. Carpendale R.E.
Mint Master

Sir,

I have the honor to forward for the favorable consideration and sanction of Government, the accompanying Application for Pension with Testimonials in support thereof from Monaldah Parthasarathy Head Fireman and Moisty of the Operative Department of the Assay Office.

2. M. Parthasarathy has served in the Mint for a period of 28 years and 7 months, (16 years of which were in the Grades not entitling him to pension). He has always borne the highest character for efficiency and good conduct from the several Officers under whom he served.

5/1
20/12

this long and faithful service he is now in a very unfavorable condition suffering from a painful chest affection and the complete loss of the sight of one eye, and partially that of the other - effects I have no doubt which are mainly due to the peculiarly destructive nature of his duties such as the inhalation of various dust fumes & the exposure of the unaided eyes to the intense heat of the Assay Furnaces while regulating them temperature and examining the Assays &c.

4. Under these circumstances I trust that Government will be pleased to take a favorable view of his case and sanction the Pension herein solicited for Mr. Parthasarathy as a reward for his long, trying and faithful services.

Official Memorandum

The Assay Master has the honor to furnish herewith the information called for by the Examiner of Claims in his letter dated 6th Instant.

21. As the Inspellation Process on the date of the Mint Certificate was still carried on, and the Improved Method not fully introduced, it was found extremely necessary in order to obtain accurate assays of Bullion tendered, to retain the services of the Foreman and Standing Moulder. Further assistance for a short time longer, is requested when they were used to allow of the other Foremen being occasionally employed in the Bullion Office.

22. Before the assay muffles by putting a thick coat of clay and sand over it to protect it from the heat of the upper part of the furnace, previous to the preparation of the materials & until the Furnace has been fired together they would not be fit for use. When fired together they would then be heated and when the Furnaces being charged with the materials & then has to be perpetually on the work, and for the space of 2 hours his eyes are exposed to the intense heat and glare of a fire at a white heat which has to be regulated and modified, in order that the muffles of Portland be properly worked off. All this time he is also exposed to the inhalation of noxious Gardens Acid and Carbonic oxide vapours. When the muffles have all been completely worked off, the Furnace is closed, the top lifted on and muffles allowed to cool; after a certain time the Furnace is reopened and the cupels with the mattes are taken out

No. 420
REPORT OF THE Examiner of Claims

Applicant is not eligible to pension, but to a gratuity of Rs 168 ... equal to 6 months salary, for his total period of service of years 28-7-6 under section I of Rules of 1831 as his duties as Head Fireman and Maistry appear from the explanation given by the Assay Master in para 3 of his letter dated 18 December 1867 No 128 and in his Official Memo of the 20th Instant No 194 herewith accompanying to have been those of a Menial, and not such as are required from servants of a superior class in pension grades. The Revised Pension Rules of 1864 clause I Section I also debar "Artificers" from benefits of pension.

Should, however, Government consider that the nature of the applicants duties as Fireman and Maistry were such as to entitle him to the benefits of the Revised Pension Rules of 1864 he will become as a special case, on the approval of the Government of India, eligible to a pension of Rs 9-1-... equal to 1/3rd of his salary for the last 5 years under clause II of Section 6 of the Revised Pension Rules.

It is observed that the applicant was retained in Government

Pension Department.
