Proceedings of the Madras Government, Financial Department,

3rd October 1868.

No. 10. Read the following letter from the Secretary to the Government of India, Financial Department, to the Accountant General, Punjab ; dated Simla, 26th August 1868, No. 2003.

In reply to Mr. Fink's letter, No. 59, dated the 5th instant, I am desired to state that if, after two instalments of privilege leave have been taken, any balance still remains untaken, such balance will not be allowed to be taken as a third instalment of the same leave, but will be added to, and dealt with as part of any future privilege leave that may accrue.

2. Thus in the case put in the letter under reply, an officer being entitled to three months' privilege leave on the 1st September 1868, may, at the discretion of the local Government, take an instalment of one month from that date, and a second instalment of one month from the 1st April 1869. The balance remaining of one month may be added to the fresh privilege leave which will accrue on the 1st October 1869.* Two months' privilege leave will, on that date, then be due to the officer, and will be dealt with in all respects as if it were all new privilege leave, *e. g.*, it may be taken in one or two instalments.

* Eleven months from the expiry of the first instalment of the previous leave, omitting the month of April — the period of the second instalment.

3. If, instead of taking the second instalment in April 1869, the officer took no further instalment before the 1st September 1869, then the two months' balance would similarly be added to, and be dealt with as part of the fresh privilege which would accrue on that date.

4. Although theoretically privilege leave may be divided as above shown, yet it is entirely within the discretion of the Local Governments to allow or disallow such division, in view of the necessities and convenience of the public service.

Ordered that a copy of the above letter be communicated to all local Governments and Administrations, and to all Account Officers for information and guidance.
