*Proceedings of the Madras Government, Financial Department,
2nd November 1868.*

No. 3. Read the following Proceedings of the Government of India, Financial Department, dated Simla, 30th September 1868, No. 2773.

Leave and Allowances.

Read—

A communication from the Public Works Department, on the subject of applications for leave on medical certificate by Uncovenanted Officers, No. 291, dated 2nd September 1868, in reference to the case of Mr. Adamson, Deputy Conservator of Forests in British Burmah.

Read again—

Rule VI. of the Uncovenanted Service Leave Rules, dated 13th April 1864.

RESOLUTION.—The Governor General in Council observes that the above quoted rule does not require that applicants for leave on medical certificate beyond sea, should appear personally before the Principal Inspector General of the Medical Department.

2. The final words of that rule only require that the certificate be submitted, with a statement of the case, for the countersignature of that officer.

3. It has been assumed in the communication of the Public Works Department, from the Calcutta practice, that, although no mention is made in the rules of appearance before a Medical Board at the Presidency, yet that the Principal Inspector General may impose this condition if he thinks proper, before countersigning the certificate.

4. The Governor General in Council is of opinion that this assumption is not warranted, and that the objection to the present rule, so far as it is founded on that assumption, is groundless.

5. But even the necessity of sending by post the certificate from Rangoon to Madras for countersignature, would be productive of delay, which, in cases of severe illness, might be fatal.

6. The Governor General in Council is, therefore, pleased to rule that, in modification of the provision in the 6th Rule above quoted, which requires the countersignature of the Principal Inspector General of the Medical Department to the medical certificate in cases of leave beyond sea, leave may be granted on the medical certificate being countersigned by the local Deputy Inspector General of Hospitals, when, from the nature of the illness of the applicant, delay would be hurtful.

ORDERED, that a copy of this Resolution be forwarded to the Foreign, Home, Military, and Public Works Departments, and that it be communicated to the several Local Governments and Administrations, and to the Comptroller General of Accounts, and to the several Accountants and Deputy Accountants in independent charge.

Also that it be published in the *Gazette of India*.
