Despatch from the Secretary of State for India, No. 290, dated 9th July 1868, ruling, with special reference to the case of Major Raitt, Superintendent of the House of Correction, Bombay, who had been recommended to be exempted from the operation of the rule which requires that military pensions shall merge in civil salaries, that an Officer, who having retired on a pension, obtained not on medical certificate, but after a prescribed period of service, is subsequently employed in any public capacity, shall draw his pension in addition to the salary of the office to which he may be appointed.

Read the following communications enquiring whether the rule quoted above is applicable to Officers of the Civil Department, Covenanted and Uncovenanted, or only to Military Officers in civil employ :—

From Accountant General, Bengal, No. E. 1680, dated 25th August 1868.
,, Bombay, No. A. 1492, dated 9th September 1868.
,, Deputy Accountant General, Hyderabad, No. 1298-47, dated 10th September 1868.
,, Military (Marine) Department, No. 3, dated 18th September 1868.

Resolution.—Apparently the orders, as they stand, refer only to Military Officers in civil employ, but the Governor General in Council is of opinion that they might fairly be extended to all pensioned servants of Government, and he is accordingly pleased to declare that they shall be so extended.

Ordered that the foregoing Resolution be communicated to the several Departments, the several Local Governments and Administrations ; the Comptroller General of Accounts ; the several Accountants General, and the several Deputy Accountants General in independent charge.

The papers received from the Military Department to be returned—copies being kept.
