Proceedings of the Madras Government, Financial Department,
23rd November 1868.

No. 72. Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George ; dated Fort Saint George, 3rd November 1868, No. 202.

Budget and Resource Department.

With reference to the Financial Resolution of the Government of India, No. 1221, dated the 6th July 1865, I have the honor to forward, herewith, for transmission to them, in the Home Department, the Marine Budget Estimate of this Presidency for 1869-70, accompanied by a memorandum explanatory of the variations between the sanctioned grants for the current year and those proposed for the ensuing year. It will be observed that a sum of Rupees 1,00,000, is provided in this estimate, at the instance of the Master Attendant, on account of the repairs of the Pier ; but it seems doubtful whether the charge is properly a marine one, the extensive character of the repairs making it seemingly rather one of the Public Works Department.

2. The estimates of the Police, Jail, and Educational Departments, will be forwarded separately in due course.

No. 73. ORDER THEREON, 23rd November 1868, No. 531.

The Governor in Council directs that the Marine Budget Estimate of this Presidency for 1869-70 be returned to the Accountant General, with a view to the item, "Repairs of the Madras Pier, Rupees 1,00,000," being removed from the Marine to the Public Works' Estimate.

2. With this correction, the Marine Budget Estimate is approved.

December 1867.

It becomes necessary to make arrangements for the treat & the good old annual observance / tomorrow. our friends are requested to state what they would propose to have — It is suggested that the stock should consist of two bottles of brandy and one bottle of Port Wine — ~~but it is open~~ subject to any modifications which may be proposed. The whole cost, as usual, will be equally divided.

C.T.

If any prefer pale brandy they might have it.

Should suggest that a Bottle of Pale & a Bottle of Dark Brandy be purchased instead of both being dark or Pale.

Yes " Nadel

I propose that 1 bottle of dark & one pale & Port be purchased & that only one bottle of Brandy be used in the forenoon the remainder being reserved for after 7 P.M.

I would also suggest that a CORKSCREW be obtained for this occasion, if none [illegible] for nothing.

Yes! Rec'd.

Ditto Ditto

Memo: for orders.

I submit that the provision of a lac of rupees for the repair of the Pier - which was constructed as an Imperial work; should appear in the Public works budget, and that the Master Attendant is in error in entering it in the Marine budget.

The whole tendency of recent orders from the Govt of India,

most certainly
N. A. A.
clear to do
so.

is to make the Public works
Budget there every kind
of work of construction or
repair, and so important
work as the reconstruction
of the Pier should con-
-clude be entered in
that budget.
