Proceedings of the Madras Government, Financial Department, 4th December 1868.

No. 6. Read the following letter from the Mint Master, Madras, to the Chief Secretary to Government, Fort Saint George; dated 20th November 1868, No. 298.

I have the honor to report that the Annealing Furnaces, built some two or three years ago in the new cleaning rooms, which were sanctioned in Order as per margin, draw so badly, that I have been obliged to re-construct them on the old principle, as per drawing enclosed, which represents the furnaces that had been in use for many years; and I request the favor of your obtaining the sanction of Government to the estimated expenditure of Rupees 160, in order that the Executive Officer ofthe Public Works Department may be warranted in passing the work.

No. 54, 26th January 1865, Financial Department.

2. No grants of funds is necessary, as there is a sufficient saving from the amount sanctioned in Order of

8th March 1867, No. 103, for general repairs;
6th July 1867, No. 306, for a Gold Refinery;
7th February 1868, No. 60, for distillery of the Assay Office;

consequent on my having been able to use Mint Establishment servants largely on those works.

No. 7. ORDER THEREON, 4th December 1868, No. 561.
