MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Right Honorable the Secretary of State for India, India Office, London, 15th November 1867, No. 397; to His Excellency the Right Honorable the Governor General of India in Council.

I have received and considered in Council your letter, No. 247, of the 3rd September last, in the Military Department, with regard to the interest heretofore paid on the bonded capital of the Madras Military Fund.

2. All the benefits to which subscribers to the Military Funds will be entitled, under the rules of their several institutions, have become a direct charge on the revenues of India, and in my Financial despatch of the 23rd August 1867, No. 311, I approved of your proposal that payments on that account should be charged to superannuation, retired and compassionate allowances, under a subordinate head.

3. In that despatch, I stated that the necessity for continuing the old form of accounts ceased from the 10th September 1866, the date of the transfer of the assets and liabilities of the Military Funds to Government, and I see no reason why any interest should be credited in future on account of the bonds of any of those funds.
