Proceedings of the Madras Government, Financial Department, 13th February 1868.

No. 40. Read the following letter from the Under Secretary to the Government of India, to the Chief Secretary to Government, Fort Saint George; dated Fort William, 24th January 1868, No. 38.

Home Department.

I am directed to acknowledge the receipt of your letter, No. 582, dated the 27th ultimo, and in reply to state that the Budget Estimates therewith forwarded, relating to Police, and Education, Science and Art, for the year 1868-69, will be considered in the Financial Department.

2. With regard to the Police Budget, I am to observe that it is evident that no action has been yet taken upon the communication from this office, No. 488, dated the 16th November last, towards reducing the cost of the Police to the originally proposed limit of 31 lakhs of Rupees. It is requested that the earliest attention may be given to that letter, and that a report may be submitted of the measures which the Madras Government may adopt in consequence.

Increase to Director of Public Instruction and Inspectors of Schools—to the Principal and Professors of the Presidency College—to the Civil Engineering College—to the Schools of the Higher Class and to Normal Schools.

3. In the Education Budget the items marginally noted have been separately reported by the Madras Government, and are under consideration in the Financial Department.

4. With respect to the progressive expenditure for grants-in-aid, it is to be borne in mind that the Financial Department must be guided by financial considerations of the funds "at the disposal of Government" for the purpose.

5. It is presumed that a portion of the increased grant for the purchase of books is recoverable from the sale of the books.
